After losing her on air job two years ago, television host Robin Trainer has fought her way back and now she's hotter than ever. With her new show climbing in the ratings and her first book a bestseller, she's being dubbed a media double threat. But suddenly things begin to go wrong. Small incidents at first: a nasty note left in her purse, her photo shredded. But the obnoxious quickly becomes threatening when the foundation the makeup artist uses burns Robin's face. It wasn't an accident; someone had deliberately doctored with the product. An adversary with a dark agenda wants to hurt Robin, and the clues point to someone she works with every day. While she frantically tries to put the pieces together and unmask this hidden foe, it becomes terrifyingly clear that the person responsible isn't going to stop until Robin loses everything that matters to her, including her life.
