Romantasy Saga Blueprint:

The Series Blueprint Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner by Book Three. *The Series Blueprint* is your long-range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer: planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over. Choose the right series structure for your genre, audience, and goals. Build book-level arcs that serve a bigger long-form story. Decide between saga, episodic, or hybrid models with confidence. Track character growth, worldbuilding, and continuity without overwhelm. Balance creativity with strategy without killing your spark. Finish a series feeling proud instead of burned out. Whether you're planning your first series halfway through a tangled one or staring at a world that no longer makes sense, *The Series Blueprint* meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

The Space Between Us Kieran Holt, 2026-01-09 Two rivals. One crumbling. French chateau. A blueprint for a love they never saw coming. Elias Thorne is the Architect of the Future. Defined by sharp lines, tempered glass, and a cold Manhattan skyline, he believes a building is a machine for living. But when his reputation begins to crack, he's forced to accept a project that is his worst nightmare: restoring a sixteenth-century estate in the Loire Valley. Sophie Valerius, known as the Stone Woman, is a preservationist who believes every ancient stone has a soul. To her, Elias isn't a visionary; he's a vandal with a laptop ready to gut the history she has sworn to protect. Trapped together in the remote Chateau de Saint Noire, Elias and Sophie are forced to share an office, a dining table, and a mutual resentment that burns hotter than the French summer. He wants steel and light; she wants heritage and shadows. But when a structural catastrophe threatens to bring the roof down on them, both rivals must find a way to merge their worlds. As they build the Bridge of Time, a daring glass walkway connecting the past to the future, they discover that the most difficult foundation to build is the one between two hearts. Can the Glass Man and the Stone Woman find a way to build a life together, or will their competing visions leave them in the ruins?
