To America Stephen E. Ambrose, 2002-11-11 Completed shortly before Ambrose's untimely death *To America* is a very personal look at our nation's history through the eyes of one of the twentieth century's most influential historians Ambrose roams the country's history praising the men and women who made it exceptional He considers Jefferson and Washington who were progressive thinkers while living a contradiction as slaveholders and celebrates Lincoln and Roosevelt He recounts Andrew Jackson's stunning defeat of a superior British force in the battle of New Orleans with a ragtag army in the War of 1812 He brings to life Lewis and Clark's grueling journey across the wilderness and the building of the railroad that joined the nation coast to coast Taking swings at political correctness as well as his own early biases Ambrose grapples with the country's historic sins of racism its ill treatment of Native Americans and its tragic errors such as the war in Vietnam which he ardently opposed He contrasts the modern presidencies of Eisenhower Kennedy Nixon and Johnson He considers women's and civil rights immigration philanthropy and nation building Most powerfully in this final volume Ambrose offers an accolade to the historian's mighty calling
