Creating Books for the Young in the New South Africa

Barbara A. Lehman, Jay Heale, Anne Hill, 2014-10-01 This collection of essays analyzes the work of 29 authors and illustrators South African children's and youth literature has a long history The country is the most prolific publisher of children's books on the continent producing perhaps the highest quality literature in Africa Its traditions resonate within the larger world of children's literature but are solidly grounded in African myth and archetypes The African diaspora in the U S and elsewhere have stories rooted in these oral traditions Much has changed in South African literature for children since the 1994 transformation of the country A field once dominated by all white and mostly female writers and illustrators has diversified adding many new voices

Afrikaans +: Everything you need to obtain top marks

Marieta Nel, 2019-02-01 Afrikaans is a learner friendly guidebook which caters for additional language learners who want to achieve better marks in Afrikaans This practical guide contains explanations in English and is filled to the brim with examples It explains tests and exams used for both the DBE and IEB and was written by a panel of educational experts who understand the needs of additional language learners This book is completely up to date The Afrikaanse Woordelys en Spelreëls AWS has just been re issued blindsiding many a teacher with the changes in Afrikaans grammar rules While the AWS is seen as the touchstone for Afrikaans language practitioners it could be a daunting book to use in the classroom Afrikaans was written with the most recent changes to the AWS in mind and presents these grammar rules in a clear practical manner Every chapter in the book also offers free online support exercises answers and examples which will be kept up to date by the panel The book contains six sections

- 1 Comprehension Begrip This explains how you should approach a comprehension test how to look for the answers and provides tips on how to understand the questions It also explains how to make summaries Visual texts such as cartoons graphs and maps are also explained
- 2 Grammar Taal This is a step by step guide to understanding the how and the why of Afrikaans grammar You will be guided with English explanations and Afrikaans examples on things like word order tenses adjectives adverbs time numbers plural and diminutive forms the negative active and passive voice pronouns participles and abbreviations There are sections offering basic knowledge to help the struggling learner through the exam But there are also more advanced sections for the learner who wants to get an A and for the teacher who wants to become familiar with all the changes in the AWS
- 3 Literature Literatuur Everything you need to know about prose drama short stories and poetry What is the difference between a metaphor and a simile Who is the protagonist and who the antagonist We use simple explanations

and good examples of all these and other literature terms 4 Oral Modeling The book contains practical pointers on how to prepare for different kinds of oral such as interviews prepared speeches introducing and thanking a speaker roleplay how to make a vlog and how to discuss the booklist you have to read for grade 12 Examples of all these are given and more are provided online 5 Vocabulary Woordeskat You will always need vocabulary for essays and orals With the most recent vocabulary on food technology life after school sport and lots more you will be well prepared 6 Written work Skryfwerk This section starts with a step by step approach to writing how to choose a topic how to do your planning what not to use in an essay and how to end your story The examples of all the different types of written work essays long and short transactional writing and tips on each will help you to master each one Online you will be able to read through more examples
