**THINK Theatre** Mira Felner,2013      **Teaching Writing Through Theatre** Kelly I. Aliano,Dongshin Chang,2024-11-09

This volume presents an introspective study of writing pedagogy explored through the lens of theatre and performance The chapters explore assessment and issues related to student engagement in both in person and online learning spaces and consider aspects such as class design environment activities and curriculum The authors draw on educational theory and inquiry based pedagogy as well as their own experiences to lay out a comprehensive blueprint for teaching in a student centered classroom      *Immersive Storytelling and Spectatorship in Theatre, Museums, and Video Games* Kelly I. Aliano,2025-02-07

*Immersive Storytelling and Spectatorship in Theatre Museums and Video Games* is the first volume to explore immersion as it is experienced in all three of these storytelling forms the theatre museums and historic sites and video games It theorizes what it means for a work to be called immersive and how immersion impacts audience experience in each of these modes The presentation of story is deepened when it involves the spectator in an immersive way Author Kelly I Aliano concentrates on the central idea that the use of immersion in each medium allows the story being told to feel present for the spectator It puts them at the center of the experience making its events for and about them Throughout the book discusses how immersion is employed to make narrative feel more resonant and relevant for the audience Analyzing the impact of offering a first hand experience of story events this book looks at how immersive storytelling can highlight the ways in which we can interact with and shape our understandings of ourselves and our society as well as our histories and identities Ideal for students scholars and researchers of immersive theatre spectatorship museum studies and video game studies this is an innovative study into the power of immersive storytelling across three interactive mediums      Jacques Lecoq Simon Murray,2017-12-14
