Define Solution Focused Therapy

**Charles Schaefer, Judy
McCormick, Akiko J. Ohnogi**

Define Solution Focused Therapy:

Solution-Focused Brief Therapy Cynthia Franklin, 2012 Therapy is frequently miscast as requiring an enormous amount of time and financial commitment but helpful goal oriented therapy can produce positive results after only a few sessions By focusing on solutions instead of problems SFBT asks clients to set concrete goals and to draw upon strengths in their lives that can help bring about the desired change for a preferred future Clinical Handbook of Couple Therapy, Fourth Edition Alan S. Gurman, 2008-06-24 This authoritative handbook provides a definitive overview of the theory and practice of couple therapy Noted contributors many of whom developed the approaches they describe combine clear conceptual exposition with thorough descriptions of therapeutic techniques In addition to presenting major couple therapy models in step by step detail the book describes effective applications for particular populations and problems Chapters adhere closely to a uniform structure to facilitate study and comparison enhancing the book's utility as a reference and text See also Clinical Casebook of Couple Therapy also edited by Alan S Gurman which presents in depth illustrations of treatment International Handbook of Play Therapy Charles Schaefer, Judy McCormick, Akiko J. Ohnogi, 2005-06-03 In the past twenty five years the practice of play therapy has increased exponentially in America and throughout the world This handbook brings together an international group of scholars and therapists to address a wide variety of topics relevant to the rapidly expanding field of play therapy The primary goal of the handbook is to provide play therapists with practical information they can put into immediate use in their clinical work with children and adolescents Thus the focus is on advances in assessment theory research and practice that have universal appeal rather than on adaptations of play therapy to specific cultures Play therapists and students from diverse cultures professional disciplines and theoretical orientations will find this book to be a comprehensive resource for keeping abreast of innovations in the field **Social Workers' Desk Reference** Albert R. Roberts, 2009 This is a new edition of the wildly successful everyday reference for social workers Like the first edition it has been crafted with the help of an extensive needs assessment survey of educators and front line practitioners ensuring that it speaks directly to the daily realities of the profession It features 40% new material and a more explicit focus on evidence based practice **The Art of Solution Focused Therapy** Elliott Connie, Linda Metcalf, 2009-06-15 What is Solution Focused Therapy Solution Focused Therapy SFT is a unique goal directed therapy aimed at helping clients regain autonomy by determining and achieving their own goals Solution focused therapists encourage clients to focus on solutions not problems and help clients effectively plan how to reach their goals Unlike other therapies SFT holds an abiding belief in clients abilities to know what is best for them rather than have a therapist tell them Why this book This book not only provides an overview of the Solution Focused therapy model its basic tenets and theories it also presents intimate interviews with expert practitioners all of whom use SFT in their own practice To this end the book offers a wealth of insight into the theory and practice of SFT to help practitioners decide whether SFT is right for them and

their clients These experts offer details of their apprehensions goals breakthroughs and overall experiences with the therapy The team of expert contributors includes Eve Lipchik Yvonne Dolan Alasdair Macdonald Thorana Nelson and many more Questions the experts address include How did you discover that SFT was the model that fit your clients needs What characteristics of this model drew you towards it How has SFT impacted your personal life What is it about SFT that makes it so effective What are your favorite cases and how did they affect your work as a therapist

Social Work Practice with Families Mary Patricia Van Hook,2019 Social Work Practice with Families is an evidence and strength based guide to assessing families identifying appropriate treatment models and conducting family treatment Extensive case examples illustrate treatment approaches with families representing diverse backgrounds and life challenges

Solution Focused Therapy Dave Hawkes,Trevor I. Marsh,Ron Wilgosh,1998 Step by step guide to solution focused therapy Focuses on the future instead of the past and on the client s strengths instead of symptoms Explains techniques gives insights and includes many case studies

Solution-Focused Therapy Bill O'Connell,1998 Having studied solution focused therapy SFT at university I found this book a good introduction It is very well written easy to read and gives a good overview of the basic elements of SFT The book is full of examples and also transcripts from some actual SFT sessions This encourages counsellors to do those things which actually work in practice It is about looking at the solution and how the problem may be solved rather than why it went wrong Andy Nott Accord The book gives a clearly written overview of the components and competent practice of SFT illustrated with well chosen examples of session dialogues It will prove a useful introduction and for those of us who already use an SFT approach it provides in addition a context for this model within the brief therapy and social constructionist traditions This book is the most readable and well argued introduction to SFT that I have yet seen

Counselling at Work This is an easy to read and informative book emphasizing respect for and the autonomy of the client

Counselling and Psychotherapy The Journal of the British Association for Counselling and Psychotherapy This eminently practical book clearly identifies and explains the main skills needed to practise solution focused brief therapy and shows how to integrate these new skills successfully into existing practice

Solution focused therapy is a well structured and demonstrably effective approach It is increasingly popular with counsellors under continuing pressures to provide therapy that is time limited and cost effective Using carefully chosen case studies and examples to illustrate the techniques involved Bill O Connell here draws together theory skills and practice in one volume

Casebook in Family Therapy David M. Lawson,Frances F. Prevatt,1999 This unique book presents actual case transcripts based on 12 different theories of family therapy Each author describes his or her theoretical orientation and then presents transcripts interspersed with commentary on how the model of therapy is expressed in the sessions This blend of theory and practice is ideal for students who understand basic principles of family therapy yet need an illustration of how to put these concepts into practice No other text includes the gamut of family therapy models with specific transcripts of why when how and what therapists say to their clients
