Beginners Guide To Classical Music:

Classical Music Julian Johnson,2012-12-01 Pick up where Classic FM leaves off What does classical music mean to the Western World How has it transformed over the centuries With such a rich tradition what relevance does it have today Julian Johnson inspires readers to explore the field and examines how music is related to some of the big ideas of Western experience including spirituality emotion the weight of history and self identity An Introduction to Hindustani Classical Music: A Beginners Guide Vijay Prakash Singha,2018-05-31 An Introduction to Hindustani Classical Music A Guidebook for Beginners is Vijay Singha s comprehensive guide to savour and appreciate classical music Written in a simple and easy to comprehend style this book delves into the understanding of raga sangeet semi classical and fusion music raga sangeet in Hindi films as well as the future of classical music in India **Joining the Dots** Steve Hobson,2009-01-12 A guide for those who are new to classical music nervous of it or irritated by it It suggests strategies for listening provides a general history and explores the mysteries of live performance **Beethoven and Me** Earl Ofari Hutchinson,2015-08-11 Political analyst Earl Ofari Hutchinson is best known as an African American commentator on politics race and social issues Yet for decades he has inhabited another world that seemingly is as far removed from the day s political and social conflicts that he specializes in discussing and writing about as the sun and the moon It s the world of Western Classical Music He has long had an enduring love and passion for the music and has written and commented about it on his radio shows and in his columns Now in his forthcoming book Beethoven and Me A Beginner s Guide to Classical Music Hutchinson breaks through a hard barrier that has long separated politics and social commentary from music in this case classical music He shares his many personal experiences in concert halls and his observations about the world of classical music Beethoven and Me A Beginner s Guide to Classical Music is a fast paced easy to understand survey of the music s well known and not so well known composers their music and their struggles for recognition He brings a fresh and his very personal perspective in discussing them and their music Hutchinson makes it easy for the reader by deliberately minimizing using technical terms and language Throughout the book he provides the reader with a highly personal running commentary of his experiences in front of and behind the orchestra stage during two decades of active listening and commenting on classical music Along the way he details the influence and struggles of African American Hispanic and women composers in the classical music world who more often than not have been shamefully neglected or marginalized in the classical music tradition Beethoven and Me A Beginner s Guide to Classical Music is Hutchinson s personal and very selective impressionistic walk through the history tradition and experience of classical music It s a primer written for a very beginning listener Hutchinson has boldly stepped out of his role as a political and social commentator to show that music and the compelling social issues of the day need not be separate **Shakespeare** Ros King,2011-03-01 Whether the fault of tedious teachers or hammy actors Shakespeare is often seen as dry and impenetrable In this fast paced introduction Ros King sets out to remind us of the sheer beauty and

sophistication that can make Shakespeare's works a joy for any audience. Exploring his invention, wit along with his uncanny characterisation, King argues archaic language should be no barrier to the modern reader. With summaries of The Bard's life and background, explanations of the plays, origins and instructions on how to read his poetry, Shakespeare: A Beginner's Guide provides all the tools the general reader needs to embrace our greatest writer. [Classical Music For Dummies](#) David Pogue, Scott Speck, 2015-06-25 Haydn, Tchaikovsky and Brahms oh my! The beginner's guide to classical music. Classical Music For Dummies is a friendly, funny, easy to understand guide to composers, instruments, orchestras, concerts, recordings and more. Classical music is widely considered one of the pinnacles of human achievement and this informative guide will show you just how beautiful and rewarding it can be. You'll learn how Bach is different from Beethoven, how Mozart is different still and why not all classical music is actually Classical if it's really Baroque or Romantic. You'll be introduced to the composers and their work and discover the groundbreaking pieces that shake the world every time they're played. Begin building your classical music library with the essential recordings that define orchestral, choral and operatic beauty as you get acquainted with the orchestras and musicians that bring the composers to life. Whether you want to play classical music or just learn more about it, Classical Music For Dummies will teach you everything you need to know to get the most out of this increasingly popular genre. Distinguish flute from piccolo, violin from viola and trumpet from trombone. Learn the difference between overtures, requiems, arias and masses. Explore the composers that shaped music as we know it. Discover the recordings your music library cannot be without. Classical music has begun sneaking into the mainstream if your interest has been piqued, there's never been a better time to develop an appreciation for this incredibly rich, complex and varied body of work. Classical Music For Dummies lays the groundwork and demonstrates just how amazing classical music can be.
