Check for Controversies or Debates

Topics that involve controversies can be more compelling.

Beloved Research Paper Topics

**Gloria Mason Henderson, William
Day, Sandra Stevenson Waller**

Beloved Research Paper Topics:

Topics in Public Economics David Pines, Efraim Sadka, Itzhak Zilcha, 1998 The evolving modern world is characterized by two opposing trends integration and segregation On the one hand we witness strong forces for segregation on the basis of nationality ethnicity religion and culture in the former Soviet Union the former Czechoslovakia the former Yugoslavia as well as in Northern Ireland Spain and Canada These forces are quite strong and in some cases violent On the other hand the European Union and NAFTA represent the tendency for integration motivated primarily by economic considerations such as gains from trade and scale economies In fact these opposing trends can be explained by the concepts developed in modern club theory local public finance and international trade

Typewriter Topics, 1919 [Electronic Collection Management](#)

Suzan D McGinnis, 2013-10-18 Build and manage your collection of digital resources with these successful strategies This comprehensive volume is a practical guide to the art and science of acquiring and organizing electronic resources The collections discussed here range in size from small college libraries to large research libraries but all are facing similar problems shrinking budgets increasing demands and rapidly shifting formats Electronic Collection Management offers new ideas for coping with these issues Bringing together diverse aspects of collection development Electronic Collection Management investigates traditional strategies that still have value and suggests innovative solutions to new problems It also offers informed discussion on how collection development and management are likely to change in the future More and more the emphasis is turning from collecting information to organizing it a paradigm shift that is nothing short of a revolution in library science Electronic Collection Management examines some of the toughest issues of electronic collections management including handling tensions in liberal arts colleges over patron expectations library budgets and collection priorities taking technical issues into account in selecting electronic resources controlling costs for scientific serials organizing electronic resources for ease of access facing the challenges of distance learning finding fresh perspectives on traditional publication formats Electronic Collection Management presents practical advice and solid information on the urgent issues subject bibliographers and collection development librarians are confronting today
