Forex scalpers can use a variety of approaches for entering new orders. One of the most useful methodologies for trading short term moves is through the use of a breakout strategy. In this book you will examine tips for trading breakouts and placing entries to take advantage of short term Forex moves. It includes a simple template you can download to be used on a Metatrader 4 currency trading platform. The author even included a template with precise settings for your smartphone. The template will generate simple Buy and Sell signals to profitably scalp Forex currency pairs. The author's reversal trend indicator signals price reversals and allows you to scalp any time frame but probably works best on the 15 minute or 30 minute time frames. This special indicator has sound and email alerts.
