

# Mastering Copperplate Calligraphy A Step-by-Step Manual

ELEANOR WINTERS

S

The 'S' in Figures 6, 7, and 8 are variations on the standard 'S' which is one stroke. Figure 9 can be made in a single stroke.

Figure 6 is made by the method of the diagonal in Figure 2, with the left end closed without crossing the upward.

The addition of a loop to the front then back in order of Figure 7 makes the variation shown. Notice that the stroke, like 6, also is one-stroke work.

Figure 8, like the first in Figure 1 on p. 115, is done on the downward sweep of the line.

O

Each of these 'O's is made in a single stroke. Figure 2 is just of the same shape as that in Fig. 2 on p. 115 and the 'O' in Figure 3 on p. 117.

Figure 3 in Figure 1 and 4 can be obtained by the same following a downward loop as in Figure 1 because the one stroke is a single stroke.

Figure 4 begins with the loop in order of the standard 'O'. The variation might be considered a false flourish.

P

Many of the variations on the 'P' are the same as those of the 'S'. The one on the right may give advice.

The first number of Figure 5 comes together with a long swing from the right of the center to the main upright. There isn't the sufficient space for the second work.
