The Classical Animated Documentary and Its Contemporary Evolution Cristina Formenti, 2022-03-24 The Classical Animated Documentary and Its Contemporary Evolution is the first book to provide an historical insight into the animated documentary Drawing on archival research and textual analysis it shows how this form usually believed to be strictly contemporaneous instead took shape in the 1940s Cristina Formenti integrates a theoretical and a historical approach in order to shed new light on the animated documentary as a form as well as on the work of renowned studios such as The Walt Disney Studios Halas Batchelor National Film Board of Canada and never before addressed ones such as Corona Cinematografica She also highlights the differences and the similarities existing among the animated documentaries created between the 1940s and the mid 1980s and those produced today so as to demonstrate how the latter do not represent a complete otherness in respect to the former but rather an evolution

The Index of Training Films B.S. Inc, **Animation** Chris Pallant, 2021-01-01 Animation Critical and Primary Sources is a major multi volume work of reference that brings together seminal writings on animation studies Gathering historical and contemporary texts from a wide ranging number of sources the volumes provide a key resource in understanding and studying the past and future directions of animation studies The four volumes thematically trace animation studies from its many definitions or a lack thereof to the institutional nature of animation production to establishing greater space within animation discourse for the consideration of broadcast and interactive animation and finally giving greater contextual understanding of the field of animation studies by focusing on Authorship Genre Identity Politics and Spectatorship thus enabling readers to engage more deeply with the ideas discussed in the final volume Ordering the collection in this way avoids imposing an overly simplistic chronological framework thereby allowing debates that have developed over years and even decades to stand side by side Each volume is separately introduced and the essays structured into coherent sections on specific themes
