The Dark Side is a dramatic, riveting, and definitive narrative account of how the United States made self-destructive decisions in the pursuit of terrorists around the world, decisions that not only violated the Constitution but also hampered the pursuit of Al Qaeda. In spellbinding detail, Jane Mayer relates the impact of these decisions by which key players, namely Vice President Dick Cheney and his powerful, secretive adviser David Addington, exploited September 11 to further a long-held agenda to enhance presidential powers to a degree never known in U.S. history and obliterate Constitutional protections that define the very essence of the American experiment.
