Study Guide for Understanding Nursing Research E-Book Susan K. Grove, Jennifer R. Gray, Christy Bomer-Norton, 2018-09-17 Designed to reinforce your understanding through hands-on work with high-quality published studies, the Study Guide for Understanding Nursing Research 7th Edition provides both time-tested and innovative exercises for each chapter in the Grove Gray textbook. This new edition includes an expanded focus on evidence-based practice with each chapter featuring Terms and Definitions, Linking Ideas, Web-Based Activities, and Conducting Critical Appraisals to Build an Evidence-Based Practice. The Study Guide is built around three high-quality published research studies located in the appendices and referenced throughout the book. These full-text articles, selected for particular relevance to you, will help you better understand the research and evidence-based practice processes and help you learn to appraise and apply research findings to clinical settings. Time-tested and innovative exercises include brief Introductions, Key Terms exercises, Key Ideas exercises, Making Connections exercises, Exercises in Critical Appraisal, and Going Beyond exercises to promote in-depth learning for a variety of learning styles. Answer keys allow you to check your understanding and learn from your mistakes. Formative assessment. Quick-reference printed tabs have been added to differentiate the answer key and each of the book's three published studies. Appendices: four tabs total for improved navigation and usability. Learning activities for each textbook chapter reinforce key concepts and guide you in application to evidence-based clinical practice. NEW: Increased emphasis on evidence-based practice corresponding to the EBP emphasis in the text to help you see the value of understanding the research process and apply it to evidence-based nursing practice. NEW: Hands-on practice with three current high-quality published studies to help you better understand the research and evidence-based practice processes and help you learn to appraise and apply research findings to clinical settings. NEW: Enhanced key terms activities compensate for the deletion of the key terms lists from the textbook that are now addressed in Study Guide activities. NEW: New Appraisal Guidelines help you to critically appraise research articles. NEW: Updated full-text articles ensure that the examples provided reflect the most current high-quality studies that are meaningful.
