Readers Choice Creative Writing Prompts Kids:

The Children's Literature Selection Handbook, K-8 Christie Kaaland, 2025-09-18 Offering future school librarians teachers and working librarians an alternative to lengthier textbooks on children's literature this engaging book introduces readers to the most important genres and current conversations in the field while leaving them time to read children's literature directly As school librarian and teacher certification programs become more abridged students require succinct textbooks that still provide a valuable introduction to the field Working librarians need reference books that allow them to make good selections for their collections Students and professionals will appreciate The Children's Literature Selection Handbook K 8 because it offers a needed overview of the field while allowing for plenty of time to read children's literature Author Christie Kaaland's conversational tone speaks directly to readers and the book offers students a pathway to engage with literature directly and effectively scaffold their learning Beginning with an introduction to standard literary fiction genres including a discussion of literature trends and children's reading interests and needs the chapters turn to the most important genres fiction biography folk literature picture books informational texts poetry and graphic novels A focus on book series a deep discussion of graphic novels the inclusion of global literature and review sources for selection and information on publishers and the publishing industry set this timely book apart from others in the field Reader voices add perspective and charm This compact and engaging book is the perfect companion to the vast wealth of children's literature that future teachers and school librarians will read during their professional preparation and share with children and youth as working librarians

Children's Literacy Practices and Preferences Jane Sunderland, Steven Dempster, Joanne Thistlethwaite, 2016-03-31 Over the past few decades there have been intense debates in education surrounding children's literacy achievement and ways to promote reading particularly that of boys The Harry Potter book series has been received enthusiastically by very many children boys and girls alike but has also been constructed in popular and media discourses as a children's particularly a boys literacy saviour Children's Literacy Practices and Preferences Harry Potter and Beyond provides empirical evidence of young people's reported literacy practices and views on reading and of how they see how the Harry Potter series as having impacted their own literacy The volume explores and debunks some of the myths surrounding Harry Potter and literacy and contextualizes these within children's wider reading
