Journey Through God's Word Eric Shaban, 2021-02-15 Do you really know what the Bible is about Are you making a decision that could affect you for eternity without even understanding what awaits you Do you know the true meaning of life and eventually death Deep down do you feel the love mercy and grace of Almighty God If you haven't read

and studied God's Word you're missing out on the greatest book ever written. In its pages you will meet some of the greatest heroes of all time such as Paul, John, James, and the most important person of all, the Son of God Himself, Jesus Christ. The wisdom recorded in God's Word will carry you through every encounter in life and give you strength to get through any day. Even though it was written thousands of years ago, it has applications for your life that are extremely relevant right now. You won't just learn how to come to a saving faith in the Lord Jesus Christ, but also how to live a fulfilled life that could only come from the Creator of the universe. This book will come alive before your very eyes. In more than thirty years of study, I've found practical answers to every encounter life has thrown my way. If you don't know Jesus as your Lord and Savior, my hope is that this book will lead you in His direction. If you do believe, my prayer is that you'll come to see that Christianity is about more than attending church on Sunday and that you'll find the joy that is made complete in the Word of God.

How Then Shall We Escape? Daniel Mc Nab, 2007-06. McNab says that believers and seekers will only begin to fully understand the depth, the height, and the immeasurable expanse of the love of God for lost humanity with a better understanding of Paul's Letter to the Hebrews. This study focuses on how God seeks to bridge the gap that sin has caused between Him and mankind's rebellious, fallen race.

Redacted David M. Miller, 2024-07-23. Redacted examines the evolution of the ministry of deliverance, tracing its roots from the Gospels to the twentieth century. This in-depth exploration reveals the contours of Jesus and the apostles' ministry and how their practices influenced the fervent exorcisms of the pre-Nicene Church, igniting widespread revival. From there, Redacted follows the decline of exorcism from the fourth to the eleventh centuries, where it almost entirely disappears. When it is brought back during the High Middle Ages, the practice takes on a highly ritualized form that departs from the Apostolic model. The Reformation saw exorcism's contentious duality between charismatic and ritual forms before they were both entirely snuffed out with Protestantism. Yet the twentieth century witnessed its resurgence, beginning at Azusa St and growing within the Charismatic movement. Redacted identifies the historical connection between deliverance and revival and makes the case that deliverance ministry is essential for revival today.
