*Une décennie de réformes au Maroc (1999-2009)*, 2010-01-01 Depuis l'intronisation du Roi Mohammed VI le 23 juillet 1999 de profondes mutations politiques économiques et sociales ont été entreprises au Maroc à l'échelle nationale tandis que de nouvelles tendances ont été enregistrées sur le plan international. Au niveau national le présent ouvrage s'interroge sur la dynamique générale par le processus de transition démocratique. Ils sont également décrits les principaux changements opérés au niveau de la politique interne du Royaume. Sur le plan international la politique étrangère du Maroc a dans le sillage de l'ouverture prise sur le monde pu se forger une identité géopolitique plurielle dont le credo est la philosophie du partenariat. Dans cette perspective sont mises en exergue les spécificités de la politique étrangère du Souverain marocain. Fruit d'un travail de quipe initié et coordonné par le Centre d'Etudes Internationales cet ouvrage propose une vision systémique des principales formes entreprises durant la première décennie du règne du Roi Mohammed VI. Il contribue ainsi une œuvre de conceptualisation celle d'une transition vers un Règne souhaité.

[Globalization and the Reform of the International Banking and Monetary System](#) O. Hieronymi, 2009-11-04 The book argues that a successful monetary and banking reform requires a rollback of monetary nationalism and return to monetary internationalism trust in the banking system with its basic functions restored a balance between competition and solidarity in order to assure political and social acceptance of globalization.

**Radical Right Movement Parties in Europe** Manuela Caiani, Ondřej Císař, 2018-12-07 This book provides state of the art research by leading experts on the movement parties of the radical right. It examines the theoretical implications and empirical relevance of these organizations comparing movement parties in time and space in Europe and beyond. The editors provide a theoretical introduction to radical right movement parties discussing analytical frameworks for interpreting their causes forms and effects. In the subsequent sections of the book chapter authors examine a range of empirical case studies in Western Central and Eastern Europe using a combination of qualitative and quantitative methodological approaches and make a significant contribution to the literature on social movements and party politics. This book is essential reading for scholars of European party politics and students in European politics social movements comparative politics and political sociology.

*Russia and the Western Far Right* Anton Shekhovtsov, 2017-09-08 The growing influence of Russia on the Western far right has been much discussed in the media recently. This book is the first detailed inquiry into what has been a neglected but critically important trend: the growing links between Russian actors and Western far right activists/publicists.

ideologues and politicians The author uses a range of sources including interviews video footage leaked communications official statements and press coverage in order to discuss both historical and contemporary Russia in terms of its relationship with the Western far right Initial contacts between Russian political actors and Western far right activists were established in the early 1990s but these contacts were low profile As Moscow has become more anti Western these contacts have become more intense and have operated at a higher level The book shows that the Russian establishment was first interested in using the Western far right to legitimise Moscow s politics and actions both domestically and internationally but more recently Moscow has begun to support particular far right political forces to gain leverage on European politics and undermine the liberal democratic consensus in the West Contributing to ongoing scholarly debates about Russia s role in the world its strategies aimed at securing legitimation of Putin s regime both internationally and domestically modern information warfare and propaganda far right politics and activism in the West this book draws on theories and methods from history political science area studies and media studies and will be of interest to students scholars activists and practitioners in these areas
