# Qlikview Project Management Dashboard

**Rupa Mahanti**

## **Qlikview Project Management Dashboard:**

Fragile Computing Laura Kocksch,2024-06-17 This book proposes alternative ways to engage with computer security rooted in Science and Technology Studies STS and extensive ethnographic observations Computer security the author argues is part of living in the Anthropocene an age of damaged more than human relations As such doing computer security means not striving for technical solutions or individual awareness but living with fragility The book suggests conceptual approaches and methods of studying computer security which contribute to current debates on infrastructural breakdown and ecological ruins in STS and Anthropology while offering new perspectives to Usable Security and Critical Security Studies
