Case-Based Reasoning Research and Development Hector Munoz-Avila, 2005-08-11 This book constitutes the refereed proceedings of the 6th International Conference on Case Based Reasoning ICCBR 2005 held in Chicago IL USA in August 2005 The 19 revised full research papers and 26 revised poster papers presented together with the abstracts of 3 invited talks were carefully reviewed and selected from 74 submissions The papers address all current foundational theoretical and research aspects of case based reasoning as well as advanced applications either with innovative commercial deployment or practical social environmental or economic significance **Someone Else's Twin** Nancy L. Segal, 2011-07-19 The combination of a riveting true story and cutting edge twin research makes this book an irresistible page turner Identical twins Bego a and Delia were born thirty eight years ago in Spain s Canary Islands Due to chaotic conditions at the hospital or simple human error the unthinkable happened Delia was unintentionally switched with another infant in the baby nursery

This fascinating story describes in vivid detail the consequences of this unintentional separation of identical twin sisters. The author considers not only the effects on these particular sisters but the important implications of this and similar cases for questions concerning identity, familial bonds, nature, nurture, and the law.
