Strategic Management Alex Miller 3rd Edition:

Strategic Management Alex Miller, 1998 Miller clearly takes a stand The text emphasizes developing a competitive advantage for the purpose of achieving superior financial performance This central focus forms an integrating theme demonstrated from the start by the Architecture of Strategy framework The nature of strategic management is changing in such a way that all managers regardless of organizational level or functional specialty are becoming more involved in helping formulate and implement strategies for the entire business Every case was selected because it illustrates this concept in practice

STRATEGIC MANAGEMENT : CONCEPTS AND CASES MILIND T. PHADTARE, 2010-10-04 Primarily intended for the postgraduate students of commerce and management this compact text covers all the topics prescribed in almost all universities and autonomous institutes in India Each concept is explained with the help of many real life examples from the Indian context Considering the fact that the understanding of the concept of strategic intent is prerequisite to the understanding of strategic management the chapter on strategic intent is included which brings out the differences between various elements of strategic intent It also covers the current happenings in the businesses from the Indian context Similarly a topic on strategic choice has been discussed at length because of the fact that BCG growth share matrix and GE nine cell matrix are extremely useful in making a strategic decision in real life Besides the book contains ten case studies on various topics of strategic management such as environmental appraisal critical success factors SWOT analysis strategic intent strategic choice business level strategy formulation and choice of growth strategy All these cases are provided with authentic industry specific data Firms are chosen from different businesses thereby giving business specific flavour and a broad understanding of various business domains

Strategic Planning Stanley Charles Abraham, 2012-01-11 This book is exceptional treatise on strategic planning for single business companies that is at once academically rigorous and uncommonly practical

Strategic Management in the 21st Century Timothy J. Wilkinson, Vijay R. Kannan, 2013-05-22 Covering both practical and theoretical aspects of strategic management this three volume work brings the complex topic down to earth and enables readers to gain competitive business advantages in their marketplace This clear insightful and interesting work covers all aspects of strategic management including chapters that discuss SWOT Strengths Weaknesses Opportunities and Threats analysis the Resource Based View transaction cost economics and real options theory Unlike other books this three volume work examines strategic management from different perspectives effectively interweaving seemingly disparate subdisciplines such as entrepreneurship and international business with specialized foci such as creativity innovation and trust Incorporating information from contributors as varied as a proprietor of a worldwide motorcycle business to one of the most published scholars in the field of international strategic management the practical and theoretical perspectives presented in *Strategic Management in the 21st Century* will benefit business strategists professors of strategic management and graduate students in the field
