Nurturing a Daoist-Inspired Classroom Pedagogy Through the Contemplative Lenses of Teacher Diaries David McLachlan Jeffrey, 2024-08-12 This book explores the relevance of Daoist philosophy in global education through teacher diaries It introduces classical Daoist texts and principles emphasizing meditation and intuitive insights The book highlights how Daoist inspired pedagogies foster a balanced contemplative classroom environment **American Buddhism as a Way**

of Life Gary Storhoff, John Whalen-Bridge, 2010-04-05 The US seems to be becoming a Buddhist country Celebrity converts the popularity of the Dalai Lama motifs in popular movies and mala beads at the mall indicate an increasing inculcation of Buddhism into the American consciousness even if a relatively small percentage of the population actually describe themselves as Buddhists This book looks beyond the trendier manifestations of Buddhism in America to look at distinctly American Buddhist ways of life ways of perceiving and understanding John Whalen Bridge and Gary Storhoff have organized this unique collection in accordance with the Buddhist concept of the Three Jewels the Buddha the Dharma and the Sangha The Buddha section discusses the two key teachers who popularized Buddhism in America Alan Watts and D T Suzuki and the particular kinds of spirituality they proclaimed The Dharma section deals with how Buddhism can enlighten current public debates and a consideration of our national past with explorations of bioethics abortion end of life decisions and consciousness in late capitalism The final section on the Sangha or community of believers discusses how Buddhist communities both formal and informal have affected American society with chapters on family life Nisei Buddhists gay liberation and Zen gardens

That Which Roots Us Marion Dresner, 2023-12-05 A work of natural and environmental history That Which Roots Us is a work of natural and environmental history that explores the origins of and resolutions to some of the United States environmental problems Marion Dresner discusses the roots of Euro American environmental

exploitative action starting with the environmental consequences of having treated Pacific Northwest forests as commodities She shares her experiences visiting sites where animal centered ice age culture changed to human centered culture thousands of years ago with the advent of farming The book explores the origins of the romantic philosophical movement which arose out of the debilitating conditions of the industrial era Those romantic attitudes toward nature inspired the twentieth century preservation movement and America s progressively modern conservation attitudes The book is centered around environmental issues in the Pacific Northwest contrasting utilitarian views of nature with Native American practices of respect and reciprocity The elements that make *That Which Roots Us* a truly unique and important contribution to environmental literature are the author s personal recollections and interactions with the landscape Ultimately Dresner offers hope for a new stewardship of the land and a focus on science literacy and direct experience in the natural world as the most grounded way of knowing the planet
