Broken Homes: A Study of Family Desertion and its Social Treatment Joanna C. Colcord, 2019-12-17 In *Broken Homes A Study of Family Desertion and its Social Treatment* Joanna C Colcord provides a compelling sociological analysis of the phenomenon of family desertion in early 20th century America Adopting a meticulous and systematic literary style Colcord draws upon extensive empirical research presenting case studies that illustrate the psychological and social complexities surrounding family disintegration The book critically engages with contemporary sociological theories and social reform movements situating family desertion within broader societal issues such as economic instability and changing gender roles thereby deepening the understanding of familial relationships in a rapidly modernizing world Joanna C Colcord a prominent social reformer and author was heavily influenced by her academic training and her experiences working in social welfare Her personal commitment to improving the social fabric of the time fueled her desire to explore the implications of family desertion an issue she perceived as a fundamental disruption of social stability Colcord s background in sociology and her advocacy for women s and children s rights significantly shaped her perspective making this study both timely and significant in understanding the complexities of familial bonds For scholars social workers and anyone interested in the social dynamics of family structures *Broken Homes* serves as an essential study that not only catalogs the challenges of familial separation but also advocates for compassionate social interventions Colcord s incisive findings remain relevant today inviting readers to reflect on the enduring impact of family dynamics across generations

Broken Homes & Gardens Rebecca Kelley, 2015 After returning from an unsuccessful work abroad scenario teaching English in the Czech Republic Joanna puts down roots in the damp drizzly neighborhoods of Portland Oregon Jetlagged and disappointed she sets up camp in her sister Laura s tiny laundry room Weeks later Joanna attends a house party at Ted s Laura s new beau While reading *What to Expect When You are Expecting* even though becoming pregnant is the farthest thing from Joanna s mind Joanna is caught by surprise when Ted s best friend Malcolm out of nowhere approaches her Lanky dark eyed and strangely weird Malcolm banter with Joanna intriguing her with his dry unconventional approach to flattery Later that evening they fall asleep in each other s arms in a self fashioned shed that Malcolm made with his own hands Only one slight problem in less than 24 hours Malcolm is leaving for the Peace Corps

to plan for a deserted family which stops being deserted so to speak overnight But in their understandable despair social workers sometimes overlook essential facts about the nature of marriage The permanence of family life is one of the foundation stones of their professional faith yet they may fail to recognize certain manifestations agency which deals with many cases of family desertion This society when it has had occasion to print copies of a deserter's photograph to use in seeking to discover his present whereabouts often presents his wife with an enlargement of the picture suitable for framing The procedure displays nevertheless a profound insight not only into human nature but into the human institution called marriage About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
