WORKSHEETS, HANDOUTS, AND REVIEWS

The following worksheets, handouts, and reviews are provided as bonus items for classroom use with *Business English, 9e*. The first set of materials consists of extra worksheets covering some of the most used and abused grammar/mechanics concepts. The answers are provided at the bottom of each worksheet. If you do not wish to distribute the answers, mask them as you make copies. If you want to retain the answers for convenient feedback, instruct students to fold them under as they work on the exercises. These exercises can be used for collaborative activities in the classroom. For group work, give one exercise to a small group of two to four students to complete. For mentor work, assign one skilled student to work with a slower student in completing the exercise. Allow a given amount of time, and then bring the class together to discuss the entire exercise.

Other handout exercises include special worksheets devoted to *affect/effect*, *lie/day*, dangling and misplaced modifiers, and *who/that/which*. Finally, you will find a midterm review and a final exam review. All of these bonus materials were written by the author to improve the effectiveness of classroom instruction and to make the instructor's task easier.
