 published in 1922 to immediate popularity The Velveteen Rabbit by Margery Williams has never been out of print The story
 has been adapted for film television and theater across a range of mediums including animation claymation live action
 musical and dance Frequently the story inspires a sentimental nostalgic response as well as a corresponding dismissive
 response from critics It is surprising that despite its longevity and popularity The Velveteen Rabbit has inspired a relatively
 thin dossier of serious literary scholarship a gap that this volume seeks to correct While each essay can stand alone the
 chapters in The Velveteen Rabbit at 100 flow in a coherent sequence from beginning to end showing connections between
