In Cardio Barre you work from your core maintaining your balance using a barre a countertop a chair or even your own strength then repeat low resistance motions such as plies arm extensions and leg flexes. With no kicking jumping or punching this effective and complete workout leaves participants with long lean muscles flexibility and endurance. With the success of the Cardio Barre workout in LA where it has gained celebrity adherents and a long waiting list of others as well as the recent launch of Cardio Barre in New York this is poised to become the new it workout.
