Choices, Choices!

It's time for Spring break in town! Summer means great fun like when an explorer goes to look for fun things to do, the fishing, hiking, fishing, swimming, and more. They are hoping for some sunny, enjoyable weather. However, they just cannot decide which day to do each activity. So, they decided to check the weather forecast to see whether before making final plans.

When you make predictions you use information from a story or document to determine what will happen next.
