The Baptist's Head Compendium Alan Chapman, Duncan Barford, 2024-06-25. The intimate personal journals of two occultists practising western magick to achieve The Great Work, also known as awakening or enlightenment. With its humour, honesty and down to earth approach extending beyond the cult following it gained after its original publication in the late noughties, *The Baptist's Head Compendium* has proved itself a seminal text and indispensable guide to anyone suspicious of or disillusioned by magick purely as a tool for personal power or material gain.
