

The Intuitionistic Fuzzy FlowSort Method for Multicriteria Group Decision Making

Remadi Daami Fedia, University of Sfax, Tunisia*

Frikha Moalla Hela, University of Sfax, Tunisia

ABSTRACT

The real-life problems are multidimensional in nature and may involve some ambiguity when it comes to decision making. It is, therefore, difficult to design the evaluation criteria precisely and determine the exact value of the attributes in the multicriteria analysis. The intuitionistic fuzzy set (IFS) achieved great success in treating this kind of ambiguity in a great deal of research. The study of sorting problems is an active research issue in the multiple criteria decision aid (MCDA) area. This paper investigated one of the sorting methods, FLOWSORT, and extended it to the multicriteria group decision making based on the output aggregation of the individual sorting results. The rating of each alternative was described through linguistic terms that can be expressed in triangular intuitionistic fuzzy numbers. An illustrative example as well as an empirical comparison with other multi-criteria decision-making methods were carried out to validate the extension.

KEYWORDS

FlowSort Method, Intuitionistic Fuzzy Set, Multicriteria Group Decision Making, Sorting Problematic

1. INTRODUCTION

Multi-criteria decision making (MCDM) is considered as an essential part of modern decision science and operational research. It is the process of finding the best compromise among the feasible alternatives. It provides a wide variety of methodologies and techniques that enable the systematic treatment of decision problems under multiple criteria. The MCDA methods can be applied to four different kinds of analyses that can be performed in order to provide significant support to decision-makers (Remadi and Frikha, 2019). These are: (1) the choice of the best alternative, (2) the ranking of the set of the alternatives from the best to the worst, (3) the description of the features of the alternatives and (4) the classification of the alternatives into predefined homogenous groups.

In this paper, we studied the ordinal classification problem, also called sorting problem. It consists to orienting the decision problem to an assignment of alternatives to one of the predefined, ordered and homogenous categories or classes. The class is a set of alternatives with similar properties or even values for the same properties, when compared to the alternatives of the other classes. Multiple methods have been proposed during the previous decades. Among these, we can mention the well-known sorting methods, the ELECTRE-TRI (Shen et al. 2016), the THESEUS (Fernandez and Avarro, 2011), etc. Relying on the PROMETHEE (Brans et al. 1984) methodology, several authors proposed

Neutrosophic Sets and Systems, Vol. 35, 2020 Florentin Smarandache, Mohamed Abdel-Basset, Neutrosophic Sets and Systems has been created for publications on advanced studies in neutrosophy neutrosophic set neutrosophic logic neutrosophic probability neutrosophic statistics that started in 1995 and their applications in any field such as the neutrosophic structures developed in algebra geometry topology etc Some articles in this issue Neutrosophic Soft Fixed Points Selection of Alternative under the Framework of Single Valued Neutrosophic Sets Application of Single Valued Trapezoidal Neutrosophic Numbers in Transportation Problem

Neutrosophic Sets and Systems, vol. 19/2018 Florentin Smarandache, Surapati Pramanik, Neutrosophic Sets and Systems has been created for publications on advanced studies in neutrosophy neutrosophic set neutrosophic logic neutrosophic probability neutrosophic statistics that started in 1995 and their applications in any field such as the neutrosophic structures developed in algebra geometry topology etc

Neutrosophic Sets and Systems Florentin Smarandache, Surapati Pramanik, Neutrosophic Sets and Systems has been created for publications on advanced studies in neutrosophy neutrosophic set neutrosophic logic neutrosophic probability neutrosophic statistics that started in 1995 and their applications in any field such as the neutrosophic structures developed

in algebra geometry topology etc **Neutrosophic Sets and Systems: An International Book Series in Information Science and Engineering, vol. 19 / 2018** Florentin Smarandache, Surapati Pramanik, 2018 Neutrosophic Sets and Systems has been created for publications on advanced studies in neutrosophy neutrosophic set neutrosophic logic neutrosophic probability neutrosophic statistics that started in 1995 and their applications in any field such as the neutrosophic structures developed in algebra geometry topology etc Decision Making Theories and Methods Based on Interval-Valued Intuitionistic Fuzzy Sets Shuping Wan, Jiuying Dong, 2020-02-03 This is the first book to provide a comprehensive and systematic introduction to the ranking methods for interval valued intuitionistic fuzzy sets multi criteria decision making methods with interval valued intuitionistic fuzzy sets and group decision making methods with interval valued intuitionistic fuzzy preference relations Including numerous application examples and illustrations with tables and figures and presenting the authors latest research developments it is a valuable resource for researchers and professionals in the fields of fuzzy mathematics operations research information science management science and decision analysis Journal of Zhejiang University, 2007 **Prosiding Seminar Bidang Kepakaran Jabatan Matematik, 2010**, 2011 Proceedings of a seminar on study and teaching of mathematics in Malaysia *The Journal of Fuzzy Mathematics*, 1998 *Mathematical Reviews*, 2004 **Real Life Applications of Multiple Criteria Decision Making Techniques in Fuzzy Domain** Laxminarayan Sahoo, Tapan Senapati, Ronald R. Yager, 2022-12-01 This edited book discusses creative and recent developments of fuzzy systems and its real life applications of multiple criteria decision making Keeping on the existing fuzzy sets and recent developed fuzzy sets viz intuitionistic fuzzy Pythagorean fuzzy Fermatean fuzzy Hesitant fuzzy and multiple criteria decision approaches this book is committed to probing the soft computing techniques and fuzzy multiple criteria decision making in favour of fuzzy intelligent system and business analytics It also addresses novel development of fuzzy set theory as well as real life applications of fuzzy systems It presents challenging and useful real world applications based on problems of decision making in various fields The modelling and solution procedures of such real world problems will be provided concisely although all topics start with a more developed resolution The contributory chapters will be based on the vast research experiences of the authors in real world decision making problems This book provides readers with a valuable conspectus of several decision making problems as a reference for researchers and industrial practitioners in this field This book will broadly cover recent development of fuzzy systems and its applications of multiple criteria decision making in the areas of management and production manufacturing management selections problems group decision making transportation and logistics inventory control systems and interval technique fuzzy technique uncertainty of the above mentioned areas

Multiple Criteria Decision Making with Fuzzy Sets Babek Erdebili, Gerhard-Wilhelm Weber, 2022-06-28 Using numerical examples to illustrate their concepts and results this book examines recently developed fuzzy multi criteria methods such as Intuitionistic Fuzzy TOPSIS Intuitionistic Fuzzy TOPSIS DEA AHP Intuitionistic VIKOR Pythagorean

WASPAS Pythagorean ENTROPI Hesitant CBD Hesitant MABAC Triangular EDAS Triangular PROMETHEE q Rung Orthopair COPRAS and Fuzzy Type 2 ELECTRE Each chapter covers practical applications in addition to fresh developments and results Given its structure and scope the book can be used as a textbook in graduate courses on operations research and industrial engineering It also offers a valuable resource for scientists working in a range of disciplines that require multi criteria decision making

Mathematics in practice and theory, 2006 Multi Criteria Decision Making Via Intuitionistic Fuzzy Set Pranjali Talukdar, 2023-01-04

The characteristic function of a crisp set assigns a value either 1 or 0 to each object in a set and thereby distinguishes the members and non members of crisp set under consideration The function can be generalized such that the values assigned to the elements of a set fall within a specific range from 0 to 1 and indicate the membership grade of these elements in the set in question Larger values denote higher degree of set membership Such function is called a membership function and the set defined by it is known as fuzzy set In short it can be opined that the crisp set and logic divide the world of yes or no true or false but nothing in between On the other hand fuzzy sets and logic deal with objects that are of degree with all possible grades between yes or no Thus fuzzy set represents the vague or ill defined not well defined concept like good very good poor intelligent large and medium large etc and hence it can be extensively applied in a wide range of area Zadeh developed this novel concept of fuzzy sets that created a new branch of Mathematics which is used to characterize the uncertainty A lot of significant developments have been made by the researchers in the last five decades and applied it in a large variety of fields It is observed that in fuzzy set theory FST the non membership function is the complement of the membership function But in many situations complement of membership function may not reflect the exact non membership grades of an element to a set Later Atanassov defined both the membership function and nonmembership function which also characterized some hesitation degree between them This newly defined set is called Intuitionistic fuzzy set IFS As IFS can represents the incomplete ill defined information in a more specific manner than FST therefore IFS become more popular among the researchers in uncertainty modeling problems Furthermore Atanassov and Gargov introduced the notion of Interval valued intuitionistic fuzzy sets IVIFSs extending the concept IFS in which the membership and non membership grades are represented by intervals Starting from our many daily life situations up to very complex system making decision is undoubtedly one of the most necessary activities of human being It is a logical judgment process to identifying and choosing the right alternatives based on the preferences and values of the decision maker with respect to its criteria In mathematical point of view there should be some methodology and algorithm through which one can make a logical and proper decision Recently decision making processes have become popular in industries in different managerial level of the concerned department of many organizations because of their global competitiveness making good planning and to survive successfully in respective marketplace Therefore decision making plays a vital role especially in purchase department for reducing material costs minimizing production time as well as improving the quality of product or

service Simplified neutrosophic sets and their applications in multi-criteria group decision-making problems Juan-juan Peng, Jian-qiang Wang, Jing Wang, Hong-yu Zhang, Xiao-hong Chen, As a variation of fuzzy sets and intuitionistic fuzzy sets neutrosophic sets have been developed to represent uncertain imprecise incomplete and inconsistent information that exists in the real world Simplified neutrosophic sets SNSs have been proposed for the main purpose of addressing issues with a set of specific numbers However there are certain problems regarding the existing operations of SNSs as well as their aggregation operators and the comparison methods Therefore this paper defines the novel operations of simplified neutrosophic numbers SNNs and develops a comparison method based on the related research of intuitionistic fuzzy numbers On the basis of these operations and the comparison method some SNN aggregation operators are proposed Additionally an approach for multi criteria group decision making MCGDM problems is explored by applying these aggregation operators Finally an example to illustrate the applicability of the proposed method is provided and a comparison with some other methods is made *Fuzzy Multi-criteria Decision-Making Using Neutrosophic Sets* Cengiz Kahraman, İrem Otay, 2018-11-03 This book offers a comprehensive guide to the use of neutrosophic sets in multiple criteria decision making problems It shows how neutrosophic sets which have been developed as an extension of fuzzy and paraconsistent logic can help in dealing with certain types of uncertainty that classical methods could not cope with The chapters written by well known researchers report on cutting edge methodologies they have been developing and testing on a variety of engineering problems The book is unique in its kind as it reports for the first time and in a comprehensive manner on the joint use of neutrosophic sets together with existing decision making methods to solve multi criteria decision making problems as well as other engineering problems that are complex hard to model and or include incomplete and vague data By providing new ideas suggestions and directions for the solution of complex problems in engineering and decision making it represents an excellent guide for researchers lecturers and postgraduate students pursuing research on neutrosophic decision making and more in general in the area of industrial and management engineering

The Enigmatic Realm of **Intuitionistic Fuzzy Multicriteria Group Decision Making**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Intuitionistic Fuzzy Multicriteria Group Decision Making** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those that partake in its reading experience.

Intuitionistic Fuzzy Multicriteria Group Decision Making Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Intuitionistic Fuzzy Multicriteria Group Decision Making PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Intuitionistic Fuzzy Multicriteria Group Decision Making PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Intuitionistic Fuzzy Multicriteria Group Decision Making free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Intuitionistic Fuzzy Multicriteria Group Decision Making Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Intuitionistic Fuzzy Multicriteria Group Decision Making is one of the best book in our library for free trial. We provide copy of Intuitionistic Fuzzy Multicriteria Group Decision Making in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Intuitionistic Fuzzy Multicriteria Group Decision Making. Where to download Intuitionistic Fuzzy Multicriteria Group Decision Making online for free? Are you looking for Intuitionistic Fuzzy Multicriteria Group Decision

Making PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Intuitionistic Fuzzy Multicriteria Group Decision Making. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Intuitionistic Fuzzy Multicriteria Group Decision Making are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Intuitionistic Fuzzy Multicriteria Group Decision Making. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Intuitionistic Fuzzy Multicriteria Group Decision Making To get started finding Intuitionistic Fuzzy Multicriteria Group Decision Making, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Intuitionistic Fuzzy Multicriteria Group Decision Making So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Intuitionistic Fuzzy Multicriteria Group Decision Making. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Intuitionistic Fuzzy Multicriteria Group Decision Making, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Intuitionistic Fuzzy Multicriteria Group Decision Making is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Intuitionistic Fuzzy Multicriteria Group Decision Making is universally compatible with any devices to read.
