Reclaiming the Political Process Ray Miller, 2024-04-24 Disciples of Christ in America must live out and express their faith in practical meaningful ways in the real world including the political process Our failure to provide leadership in our culture and the political process has resulted in the many negatives that are now taking place in the US Believers must see engagement with the political process as a natural expression of their relationship with God Ray Miller suggests practical and holistic ways in which we can live out our faith through this involvement and become engaged long term in the political process

When Hell Invades The Churches Andrew Stunich, 2022-10-14 *When Hell Invades The Churches* An Expose of Redding Bethel and the New Apostolic Reformation reveals how the New Age has entered the church just as Dave Hunt warned in his seminal 1985 book *The Seduction of Christianity* Mr Stunich has courageously exposed how New Age Temples like Bethel Church are masquerading as Christian churches and how a new breed of American entrepreneur the pastorpreneur is mixing business and faux Christianity in order to achieve great worldly success while leading millions of Christians dangerously astray and far from the narrow path that leads to salvation and into a new experienced based contra Scriptural religion masquerading as Christianity Readers will be shocked to see how far Bethel has strayed from the truth yet still manages to deceive most of the world into believing that it is a Christian church If you have any doubt that the great apostasy falling away predicted in 2 Thessalonians 2 is well underway this book will dispel any doubts This book peels back the curtain on the New Apostolic Reformation and lays bare how absurd its claims are that new apostles and prophets now guide the church while the movement spews out countless false prophecies and false claims of new revelations from God But this book should be of equal interest to secular readers and all who wish to preserve the separation between church and state for this book exposes how a new form of faux Christianity seeks dominion over all human endeavors both public and private and in the process is causing both spiritual and temporal harm on a global scale

The Kingdom Establishers - Book 3 (The Revealed Kingdom 3-Book Series) Mark Loretz, 2024-01-15 I am excited about this beautifully written Kingdom guidebook as it gives us various keys and strategies to live a Kingdom life It also

challenges us to become Kingdom establishers and to build the Kingdom of Jesus where we live and work I enjoyed the parts referring to Kingdom mindsets and attitudes that teach the believer a different worldview to attract a life of miracles as well as being instrumental in letting His Kingdom come on earth as in Heaven What Dr Mark Loretz describes is how to practically align ourselves with the Kingdom of God to live the life of overflow as Jesus intended

Wild Faith Talia Lavin, 2024-10-15 The Christian right has been threatening American plurality for decades and its influence is on the rise In Wild Faith Talia Lavin thoroughly chronicles how this reactionary force is spreading through the US political system and sounds a clear alarm Christian nationalism is a growing danger to democracy To fully understand the peril at hand you must read this book which is both an investigative triumph and a warning David Corn author of 1 New York Times bestseller Russian Roulette and American Psychosis An investigation into the rise of the Christian Right over the last half century that lays out the grim vision evangelicals are enforcing on our democracy All across America a storm is gathering from book bans in school libraries to anti trans laws in state legislatures firebombings of abortion clinics and protests against gay rights The Christian Right a cunning political force in America for more than half a century has never been more powerful than it is right now it propelled Donald Trump to power and it won't stop until it's refashioned America in its own image In Wild Faith critically acclaimed author Talia Lavin goes deep into what motivates the Christian Right from its segregationist past to a future riddled with apocalyptic ideology Using primary sources and firsthand accounts Lavin introduces you to deliverance ministers who carry out exorcisms by the hundreds modern day self proclaimed prophets and apostles Christian militias cults zealots and showmen and the people in power who are aiding them to achieve their goals Along the way she explores anti abortion terrorists the Christian Patriarchy movement with its desire to place all women under absolute male control the twisted theology that leads to rampant child abuse and the ways conspiracy theorists and extremist Christians influence each other to mutual political benefit From school boards to the Supreme Court Christian theocracy is ascendant in America and only through exploring its motivations and impacts can we

understand the crisis we face In Wild Faith Lavin fearlessly confronts whether our democracy can survive an organized fervent theocratic movement one that seeks to impose its religious beliefs on American citizens **The 7 Mountain Mandate** Lance Wallnau,2009-08-01 **Whore of Babylon in Bible Prophecy** Erika Grey,2017-09-06 Unveiling the Whore of Babylon A Revelation Mystery Revealed Unlock the secrets of Revelation 17 and 18 with Bible prophecy expert Erika Grey Delve into the mysterious Whore of Babylon her connection to the Revived Roman Empire and her ultimate judgment Discover Hidden origins of Babylon and its prophetic significance The little horn s shocking link to the Harlot and the Revived Roman Empire The names of blasphemy on the seven heads and their correlation to the Beast Historical ties between the Queen of Heaven the Vatican and Zechariah 5 s prophecy Overwhelming evidence identifying Rome as the city of seven hills Erika Grey s meticulous research and expert analysis shed new light on this ancient prophecy revealing its startling relevance to modern politics and the ten king prophecy **The Walls of Babylon** David Arthur,2019-08-22 The Walls of Babylon is a radically revisionist reading of the Revelation to John offering startling insights into the historical roots of Gnosticism the social dynamics of early Christianity and the shattering impact of apocalyptic eschatology Based on a careful analysis of the text David Arthur argues that the motivating circumstance for Revelation was provided not by external Roman oppression but by a fierce internal dispute between gnostic and proto orthodox factions within the early church In the ensuing controversy John did not side with ecclesiastical officials as might be expected but instead took up the cause of the persecuted outcasts Following the precedent of the classical prophets he speaks as a champion for the downtrodden and dispossessed represented for him by the gnostic heretics The book he has left us presents a fiery symbolic rebuke of proto orthodox Christianity and by extension challenges normative religious paradigms at every level of belief and praxis
