Investment Banking Joshua Rosenbaum, Joshua Pearl, 2020-03-20 A timely update to the global bestselling book on investment banking and valuation this new edition reflects valuable contributions from Nasdaq and the global law firm Latham Watkins LLP plus access to the online valuation models and course In the constantly evolving world of finance a solid technical foundation is an essential tool for success Due to the fast paced nature of this world however no one was able to take the time to properly codify its lifeblood namely valuation and dealmaking Rosenbaum and Pearl originally responded to this need in 2009 by writing the first edition of the book that they wish had existed when they were trying to break into Wall Street Investment Banking Valuation LBOs M A and IPOs 3rd Edition is a highly accessible and authoritative book written by investment bankers that explains how to perform the valuation work and financial analysis at the core of Wall Street comparable companies precedent transactions DCF LBO M A analysis and now IPO analytics and valuation Using a step by step how to approach for each methodology the authors build a chronological knowledge base and define key terms financial concepts and processes throughout the book The genesis for the original book stemmed from the authors personal experiences as students interviewing for investment banking positions As they both independently went through the rigorous process they realized that their classroom experiences were a step removed from how valuation and financial analysis were performed in real world situations Consequently they created this book to provide a leg up to those individuals seeking or beginning careers on Wall Street from students at undergraduate universities and graduate schools to career changers looking to break into finance Now over 10 years after the release of the first edition the book is more relevant and topical than ever It is used in over 200 universities globally and has become a go to resource for investment banks private equity investment firms and corporations undertaking M A transactions LBOs IPOs restructurings and investment decisions While the fundamentals haven't changed the environment must adapt to changing market developments and conditions As a result Rosenbaum and Pearl have updated their widely adopted book accordingly turning the latest edition of Investment Banking Valuation LBOs M A and IPOs into a unique and comprehensive training package which includes Two new chapters covering IPOs plus insightful contributions from Nasdaq the leading U S exchange and technology provider for IPOs and new listings and global law firm Latham Watkins LLP Access to six downloadable valuation model templates including Comparable Companies Analysis Precedent Transactions Analysis Discounted Cash Flow Analysis Leveraged Buyout Analysis M A Analysis and IPO Valuation Six month access to online Wiley Investment Banking Valuation Course featuring bite sized lessons over five hours of video lectures 100 practice questions and other investment banking study tools Launch your career on Wall Street and hone your financial expertise with Rosenbaum and Pearl's real world knowledge and forward looking guidance in the latest edition of Investment Banking Valuation LBOs M A and IPOs

The Warren Fox Group's Guide to Investment Banking Gerald Ross, 2025-02-14 The Warren Fox Group's Guide to Investment Banking is a step by step instruction manual

for young professionals to leverage as they begin their careers on Wall Street The goal of this book is to provide an exact blue print on best practices from breaking into the industry to executing client mandates and closing deals This book is unique as it is not an academic text written about the underpinnings of valuation theory Rather it is a practitioner s guide written by Investment Bankers for Investment Bankers The text pinpoints the daily procedures that one should expect throughout the lifecycle of an Investment Banker Finishing this book gives the reader a better perspective on how Investment Bankers see the world how they conduct interviews how they prioritize their day how they win client mandates how they manage capital markets processes how they pitch investors how they close deals and how they get paid About the book Gerald Ross is a trusted contributor to The Warren Fox Group The Warren Fox Group is a consortium of Investment Banking professionals that have created a media and education platform dedicated to breaking down the barriers of Wall Street The Warren Fox Group posits that the financial community is built wholly on trust but for some reason Wall Street is shrouded in mystery The vast majority of people have no formal financial education and know very little of what actually goes on in our nation s financial institutions The finance community is highly selective prestigious and far from inclusive which only adds to the general public s suspicion of Wall Street The mission is to educate the next generation of Wall Street professionals through our various forms of media and to inspire a passion for helping clients achieve their goals in the capital markets
