Born 1919 in Georgia
Died 1972
Famous for:
Being the first African American to play in major league baseball

Famous Quote:
"The right of every American to first-class citizenship is the most important issue of our time."

Jackie Robinson

Jackie Robinson was born on January 31, 1919, in Georgia. He was the youngest of five children. While in high school, Jackie played many sports including football, track, baseball, and basketball. After high school, he attended Pasadena Junior College, where he continued to play multiple sports. In 1939, Jackie transferred to the University of California, Los Angeles (UCLA). He was one of four black players on the football team. Baseball was his "love sport" while in college. While he was at UCLA, Jackie met his future wife, Rachel Isum. He left school right before graduating and took a job as an assistant athletic director with the National Youth Administration. In 1942, Jackie was drafted into the military. In 1945, Robinson was offered a contract to play baseball with the Kansas City Monarchs. During his time with the Monarchs, Jackie also pursued potential major-league options. He agreed to play with the Montreal Royals in 1946. On February 10, 1946, Jackie and Rachel were married. In 1947, he made his debut into the major leagues, playing for the Los Angeles Dodgers. His debut marked the end of segregation in major league baseball. He was inducted into the Baseball Hall of Fame in 1962. Jackie died of a heart attack in 1972.
