Chapter 5 New content on how corporations have become increasingly assertive political players explores the dramatic increase in corporate lobbying efforts the rise of billionaire political activists and the creation of a powerful conservative political infrastructure in the United States

Chapter 6 Greater attention to racially segregated and resource deprived Black communities covers the extraordinary hardships experienced by the residents of these areas while a new section on the geographical isolation of the affluent discusses how isolation affects wealthy people's beliefs and perceptions about poverty and what policies they deem acceptable

Chapter 8 Design Dispersed Burcu Dogramaci, Kerstin Pinther, 2019

Design Dispersed pursues the complex and heterogeneous connections between migration and design in the 20th and 21st centuries

The edited volume gathers contributions by international researchers and curators on the question of how design practices and historical objects articulate respond to and critically reflect on migration flight and displacement

Besides a collage which highlights the aesthetic effects resulting from the networking overlapping and mixing of forms another strand of the book looks at the political and social dimensions of design

How are design objects material modes of a critical inquiry on movements of people and things

What role do object trajectories play in the migr movements of the 1930s and 1940s

Other texts follow the question of how migrants and refugees form their experience and political fight for acceptance into design and architectural productions

A final essay contributes to wordings and projections what vocabulary do we need in order to adequately think and write about a design dispersed
