Johnny Tremain Disney:

Walt Disney, from Reader to Storyteller Kathy Merlock Jackson, Mark I. West, 2014-12-12 Walt Disney best known as a filmmaker had perhaps a greater skill as a reader While many would have regarded Felix Salten's *Bambi* and Carlo Collodi's *Pinocchio* as too somber for family oriented films he saw their possibilities He appealed to his audience by selecting but then transforming familiar stories Many of the tales he chose to adapt to film became some of the most read books in America Although much published research has addressed his adaptation process often criticizing his films for being too saccharine or not true to their literary sources little has been written on him as a reader what he read what he liked his reading experiences and the books that influenced him This collection of 15 fresh essays and one classic addresses Disney as a reader and shows how his responses to literature fueled his success Essays discuss the books he read the ones he adapted to film and the ways in which he demonstrated his narrative ability Exploring his literary connections to films nature documentaries theme park creations and overall creative vision the contributors provide insight into Walt Disney's relationships with authors his animation staff and his audience

The Hamilton Phenomenon Chloe Northrop, 2022-07-05 *The Hamilton Phenomenon* brings together a diverse group of scholars including university professors and librarians educators at community colleges Ph D candidates and independent scholars in an exploration of the celebrated Broadway hit When Lin Manuel Miranda's musical sensation erupted onto Broadway in 2015 scholars were underprepared for the impact the theatrical experience would have Miranda's use of rap hip hop jazz and Broadway show tunes provides the basis for this whirlwind showcase of America's past through a reinterpretation of eighteenth century history Bound together by their shared interest in *Hamilton* an American Musical the authors in this volume diverge from a common touchstone to uncover the unique moment presented by this phenomenon The two parts of this book feature different emerging themes ranging from the meaning of the musical on stage to how the musical is impacting pedagogy and teaching in the 21st century The first part places *Hamilton* in the history of theatrical performances of the American Revolution compares it with other musicals and fleshes out the significance of postcolonial studies within theatrical performances Esteemed scholars and educators provide the basis for the second part with insights on the efficacy benefits and pitfalls of teaching using *Hamilton* Although other scholarly works have debated the historical accuracy of *Hamilton* *The Hamilton Phenomenon* benefits from more distance from the release of the musical as well as the dissemination of the hit through traveling productions and the summer 2020 release on Disney Through critically engaging with *Hamilton* these authors unfold new insights on early American history pedagogy costume race in theatrical performances and the role of theatre in crafting interest in history

The Golden Age of Walt Disney Records, 1933-1988 R.
