Leading homiletician Jared Alcántara offers a practice-centered, collaborative, technologically innovative, next-generation introductory preaching textbook. The book breaks new ground by adopting a practice-based approach to teaching preaching and by using innovative technological delivery to enhance the educational experience of learners. Alcántara introduces the basics of Christian preaching and emphasizes the skills preachers must cultivate throughout their lives. He shows that preachers can learn effective preaching by paying keen attention to five key competencies: conviction, context, clarity, concreteness, and creativity.
