A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature

quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

The Easter Story What Really Happened Chuck Missler,2023-01-24 From the beginning of time thinkers have puzzled over the paradox of fate vs Free will In theological terms this leads to the struggle between Calvinism and Arminianism As we explore this paradox we find that examining the fruit of each position reveals that the River of Life seems to flow between these two extremes and that again truth involves a careful balance We hear a lot about the Sovereignty of God and the prerogatives of our Creator are pretty obvious As the children s riddle goes Where does the gorilla sleep in the forest Anywhere he wants to And as most of you have discovered He has also given us one of His greatest treasures His Word Jealous as He is of His Name Psalm 138 2 highlights for thou hast magnified thy word above thy name And indeed God has declared in detail the responsibilities He desires of His people The Bible lays out just how He desires to be worshipped etc Beyond the mysteries associated with the sovereignty of God and the libraries are full of studies on that subject there emerges what is to many of us an even more troubling mystery The Sovereignty of Man Internationally recognized Biblical authority Chuck Missler explores the fundamental paradox underlying our ultimate destiny
