Clifford Stott, Edward R. Maguire

Social Media Literacy 2025 Edition:

Media Literacy and Mental Health Care Access Jesse Scaccia,2026-02-05 In this book Jesse Scaccia argues that while courses that teach students how news media and social media might cause or worsen mental health issues are a promising start media literacy education also needs to teach young adults how to reach mental health care when they need it **AI, Information, and Global Dynamics** Fatima Roumate,2026-03-03 This edited volume discusses the convergence of AI information and the geopolitical landscape Featuring contributions written by globally recognized experts from different sectors the book explores the growing role of AI in areas such as information communication and geopolitics offering theoretical and methodological frameworks to analyze its impact on global power dynamics and the future of the geopolitical landscape Combining theory practical cases and tools the chapters offer essential guidelines for assessing AI applications considering the shifting power dynamics and the increasing importance of information warfare in the AI epoch This combination of multidisciplinary multisectoral and prospective approaches makes the book an essential read for policymakers scholars and anyone interested in understanding how AI and information are reshaping global power dynamics *Policing the Crowd* Clifford Stott,Edward R. Maguire,2026-02-25 Crowds are among the most visible expressions of democracy whether in celebration protest or tragedy but they are also moments of tension where rights safety and authority collide This book explores how societies manage these critical encounters Drawing on dramatic case studies from Britain Europe and the United States it reveals how crowd psychology and policing intersect why disorder spreads and how legitimacy can be won or lost in the space of a single decision Policing the Crowd is the first comprehensive account of how crowd psychology has transformed policing What makes this book distinctive is the depth of its embedded research written from inside the process it offers unmatched insight into how evidence has directly shaped policing practice and policy reform Some of the key features of this book are as follows Traces the history of public order policing from nineteenth century Britain to the English riots of 2011 and the Black Lives Matter protests of 2020 Explains how ideas about crowds evolved from classical theories to the social identity approach Presents how these theories were tested in practice across diverse settings in football stadiums on city streets and in moments of national crisis Provides comparative analysis across the UK the US and Europe Reveals how embedded research partnerships translated theory into practical operational strategies Emphasises legitimacy dialogue and facilitation as critical elements in conflict prevention Combining compelling case studies with theoretical clarity it provides scholars practitioners and policymakers with a powerful framework for understanding and managing one of democracy s greatest challenges **Media Parenting** Eric E. Rasmussen,2026-02-19 Media psychologist Eric Rasmussen explores the vital role of parents in empowering children to make media choices that promote their well being *Media Literacy in Action* Renee Hobbs,2024-10-14 As the most current and comprehensive media literacy text Hobbs Media Literacy in Action second edition empowers students to question analyze and take action to build better media environments

The full color second edition thoroughly covers AI disinformation digital algorithms and regulations and issues like privacy and media addiction *BiblioAsia* ,2013-04 **Bad Influence** Deborah Cohen,2026-01-22 You used to see a doctor Now you go online Your definitive guide to separating medical facts from online fiction Adam Kay author of This is Going to Hurt This superb book is an essential guide to the wild world of internet health Chris van Tulleken author of Ultra Processed People Need to focus Want to lose weight Build muscle Get pregnant Advice is just a click away With long waits for treatment and fewer face to face GP appointments influencers have stepped into the breach From doctors promoting untested therapies to celebrities selling solutions these self styled experts radiate wellness and guarantee results Exploring the transformation of a healthcare system driven by online trends Dr Deborah Cohen reveals the truth behind Ozempic influencers AI powered diagnoses preventative screening and Instagram s favourite wearable tech Bad Influence is about the commodification of health in an age of anxiety and why we can no longer distinguish medicine from marketing In a world where online medical opinions are fast and often dodgy this is the perfect antidote Prof Kevin Fong **Australian Education Index** ,1988
