Activities for Classic and Contemporary Texts 7-14 is a practical friendly book which uses the whoosh to cover some of our best known classic and contemporary texts and offers a thoroughly enjoyable way for pupils to become part of the story rather than just passive recipients of it. As an innovative and active learning strategy the whoosh technique allows all students regardless of gender, age, ability, learning need or command of language to partake on an equal footing. For younger pupils the activities in this book provide an ideal way to internalise structure and key elements in story telling through physical response. For older students they provide an enjoyable way to engage with challenging texts as well as facilitating the analysis of themes, issues, characterisation and setting. Students themselves become the story as its characters, sounds and even objects once they are familiar with whooshing many students will want to write and produce a whoosh of their own.

Classic authors and texts covered by this book include Aesop's fables, Greek myths and legends, Beowulf, Sir Gawain and the Green Knight, Oscar Wilde, Shakespeare, *The Tempest*, *Twelfth Night*, *Hamlet*, *A Midsummer Night's Dream*, Charlotte Brontë, Charles Dickens, George Eliot, Robert Louis Stevenson, Mary Shelley, Andrew Norriss, Frank Cottrell Boyce, Nina Bawden, Michelle Magorian and much more. You can use a whoosh to introduce a new text to examine conflict, dilemma, plot, setting or characterisation, whoosh a controversial section of text to provoke discussion or overcome reluctance to engage with archaic language by whooshing key sections of a story. Discussion starters, lesson objectives and follow up activities are included throughout the text alongside the whooshes and scripts enabling pupils to deliver dialogue. The book's eResource. This book is an invaluable resource providing whooshes across a wide range of genres to meet the learning needs of children from 7 to 14 for both practising primary and lower secondary teachers.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
