Story Engineering Larry Brooks:

Story Engineering Larry Brooks, 2011-01-27 What makes a good story or a screenplay great The vast majority of writers begin the storytelling process with only a partial understanding where to begin Some labor their entire lives without ever learning that successful stories are as dependent upon good engineering as they are artistry But the truth is unless you are master of the form function and criteria of successful storytelling sitting down and pounding out a first draft without planning is an ineffective way to begin Story Engineering starts with the criteria and the architecture of storytelling the engineering and design of a story and uses it as the basis for narrative The greatest potential of any story is found in the way six specific aspects of storytelling combine and empower each other on the page When rendered artfully they become a sum in excess of their parts You ll learn to wrap your head around the big pictures of storytelling at a professional level through a new approach that shows how to combine these six core competencies which include Four elemental competencies of concept character theme and story structure plot Two executional competencies of scene construction and writing voice The true magic of storytelling happens when these six core competencies work together in perfect harmony And the best part Anyone can do it

Story Physics Larry Brooks, 2013-05-21 Learn how to make your story soar In the physical world gravity force and other elements of physics govern your abilities and can be utilized to enhance your every movement In the world of writing story physics can be harnessed in much the same way to make your novel or screenplay the best it can be In Story Physics best selling author Larry Brooks introduces you to six key literary forces that when leveraged in just the right way enable you to craft a story that s primed for success and publication Inside Story Physics you ll learn how to Understand and harness the six storytelling forces that are constantly at work in your fiction Transform your story idea into a dramatically compelling concept Optimize the choices you make in terms of character conflict subplot subtext and more to render the best possible outcome These literary forces will elevate your story above the competition and help you avoid the rejection pile With Story Physics you won t just give your story wings you ll teach it how to fly Larry Brooks speaks my kind of language about story Any writer even those trucking in the world of nonfiction will benefit from going deeper into the physics of storytelling as Brooks explains in these pages James Scott Bell best selling author of Plot Structure Larry Brooks has done it again If you liked Story Engineering I suspect you re going to love Story Physics which dives even deeper into the essence of story Story Physics is an essential addition to every novelist s bookshelf Randy Ingermanson author of Writing Fiction for Dummies

Great Stories Don't Write Themselves Larry Brooks, 2019-11-05 One of the most common questions new writers ask professionals is how they wrote their book what was their process for storytelling Did they use an outline to plan the book or write it from the seat of their pants But really the question should be about the general principles and nature of storycraft does every part of a story have what it needs to keep readers turning the pages Bestselling author and creator of StoryFix.com Larry Brooks changes the sound of the writing conversation by introducing a series of detailed criteria for

novelists of every level and genre to refer to while writing regardless of their preferred writing method Beginning with the broadest part of the story the early checklists help writers to ensure that their novel is based on a premise rather than an idea and gradually hones in on other elements to keep the story moving forward including dramatic tension narrative strategy scene construction Readers won't know or care about the process But what Brooks offers here is a chance for readers to make the most of whichever process they choose and in doing so cut years off their learning curve

Storytelling in Design Anna Dahlström,2019-12-12 With the wide variety of devices touch points and channels in use your ability to control how people navigate your well crafted experiences is fading Yet it s still important to understand where people are in their journey if you re to deliver the right content and interactions at the right time and on the right device This practical guide shows you how storytelling can make a powerful difference in product design Author Anna Dahlström details the many ways you can use storytelling in your projects and throughout your organization By applying tried and tested principles from film and fiction to the context of design and business you ll learn to create great product experiences Learn how the anatomy of a great story can make a difference in product design Explore how traditional storytelling principles tools and methods relate to key product design aspects Understand how purposeful storytelling helps tell the right story and move people into action Use storytelling principles to tell sell and present your work **Bait and Switch** Larry Brooks,2013-10-21 The man Wolfgang Schmitt former model newly single habitual wiseass It s a profile only his ailing mother could love but it makes him perfect for one thing The bait Billionaire Nelson Scott wants Schmitt to seduce his wife setting off a prenuptial clause that will keep her hands off his money The job pays a million bucks just for trying Another four if Schmitt pulls it off All he has to do is say yes The switch Next thing he knows he s dealing with a lot more than he bargained for Like Scott s gorgeous stiletto sharp lawyer A couple of shady suits who may or may not be Feds And a few more dead bodies than he s used to But in the big leagues of money and power Schmitt happens **Deadly Faux** Larry Brooks,2013-09-27 Wolfgang Schmitt ex underwear model self proclaimed wisecrack and cynical copywriter turned undercover agent is biding his time unsure how to spend the millions he scored after his recent undercover mission for the FBI Complicating matters is the fact that he might be called in for a new mission if it s off the books and calls for a touch of seduction Wolf is the man for the job But in Wolf s words shit storms come in threes On the same day Wolf is visiting his mother in a nursing home he makes three troubling discoveries the place is going under and he may need to step in the stash in his offshore account has completely vanished and the promising new woman in his life is actually a Fed vetting him for

another undercover gig His mission to entrap a casino owning couple suspected of involvement with the organized crime factions piping untold amounts of money through the gambling mecca s glamorous underworld All of this seems nearly impossible to pull off probably illegal as hell and if this is anything like his last gig nothing is as it seems Full of crime passion and betrayal Deadly Faux finds Wolf cornered in a dangerous undercover mission in Sin City forced to use his wits charm and gambler s luck to survive in the dark underbelly of Las Vegas From Big Idea to Book Jessie L. Kwak,2022-04-12 Want to write a book Half the battle is finding a practice that works for you Successful author and creativity expert Jessie Kwak is here to help you do just that and have fun doing it In her view every part of the process is important idea generation development research planning drafting revising and publication and are all covered here in friendly accessible detail As in her previous book *From Chaos to Creativity* Kwak helps you set up a system that makes the most of your creative ideas and helps them find their best form and their audience Fiction and nonfiction writers alike can use this book as a muse a checklist and a resource for getting your ideas out of your head and into the world With a foreword by Charlie Gilkey author of *Start Finishing* **The Story of Jackson: Biographical sketches of the builders of the capital of Mississippi** ,1953

Serpent's Dance Larry Brooks,2013-12-10 FIND HIM Bernadette Kane never believed that her sister committed suicide And what she heard about her sister s mysterious and sadistic lover Wesley Edwards made her suspect the worst With his good looks private jet and successful career he could turn a girl s head And get away with murder SEDUCE HIM Bernadette s plan use her body to seduce Wesley use her wits to gain his confidence and use the evidence she finds to bring him down First Bernadette will have to submit to whatever Wesley wants and become a willing pawn in his twisted games MAKE HIM PAY But buried inside the millionaire s inner sanctum are secrets that go farther than Bernadette ever imagined They re plunging her into the same nightmare that trapped her sister And now the choice between revenge and survival will decide the outcome of Bernadette s final and most dangerous game *The Seventh Thunder* Larry Brooks,2014-12-02 When committed agnostic Gabriel Stone s wife dies in an unlikely airline disaster he pours himself into the writing of a story that has haunted him since his youth a novel his devout wife had warned him never to finish Inspired by a visit to the island of Patmos he is fascinated with the visions beheld there by St John The Divine while in political exile for his beliefs Those visions included terrifying events delivered by what John described as seven thunders which he was instructed to withhold to seal up and write them not Revelation 10 4 As Stone becomes entrenched in his speculative interpretation of what those visions might have been an embedded code within the Book of Revelation itself reveals startling connections to covert operations that are about to tear the world s political landscape to shreds perhaps signaling the beginning of the prophesied end of times As Stone s novel nears publication he finds himself the pawn in a war between superpowers and supernatural forces each hoping to control the book each driven by hidden agendas beyond Stone s comprehension Facing choices that are at once spiritual and life dependent with global stakes pivoting on his ability to accept the unbelievable and stop the

unthinkable The Seventh Thunder is a secular thriller that stops at nothing short of our very souls hanging in the balance while ringing frighteningly relevant to today s headlines Winner of the 2010 Next Generation Indie Book Award for best novel in the SUSPENSE THRILLER category The Military Engineer; Journal of the Society of American Military Engineers,1951
