The Water Cure:

The Water Cure ,1902 **Water Cure** The Sophie Mackintosh,2018-05 Once upon a time damaged women came here to be cured We took them in fed them glasses of our clean good water let them scream at the waves till their lips split like ripe fruit Now no one is left but my sisters and me King died a year ago quite suddenly Mother has vanished no one knows where And the safe compound they built around us far away from the toxic world has finally been breached Three men arrived last week washed up by the sea their gazes hungry and insistent We remember now what our father taught us If the men come to you show yourself some mercy Don t stick around and wait for them to put you out of your misery **The Water-cure Journal** ,1854 *The Water Cure in America* H. F. Phinney,1852 *The Principles and Practice of the Water Cure and Household Medical Science* James Wilson (M.D.),1854 **The Water Cure** Percival Everett,2011-09-13 I am guilty not because of my actions to which I freely admit but for my accession admission confession that I executed these actions with not only deliberation and premeditation but with zeal and paroxysm and purpose The true answer to your question is shorter than the lie Did you I did This is a confession of a victim turned villain When Ishmael Kidder s eleven year old daughter is brutally murdered it stands to reason that he must take revenge by any means necessary The punishment is carried out without guilt and with the usual equipment duct tape rope and superglue But the tools of psychological torture prove to be the most devastating of all Percival Everett s most lacerating indictment to date The Water Cure follows the gruesome reasoning and execution of revenge in a society that has lost a common moral ground where rules are meaningless A master storyteller Everett draws upon disparate elements of Western philosophy language theory and military intelligence reports to create a terrifying story of loss anger and helplessness in our modern world This is a timely and important novel that confronts the dark legacy of the Bush years and the state of America today **The Water-Cure.
