The Art of Managing Professional Services

Maureen Broderick, 2010-10-24 Today millions of people work at over one million professional service firms generating over 2 trillion in revenue annually These firms face unique issues that are not fully understood by management thinkers and consultants Making matters more complex is that many of these firms stand at a crossroads searching for new strategies and practices to succeed in a radically new economy In *The Art of Managing Professional Services* Maureen Broderick offers the solution Broderick has brought together modern best practices for these and other crucial areas of professional services management Building communicating and maintaining shared vision values and culture Recruiting training and evaluating people Crafting the right strategies portfolio and mix of clients Innovating and sharing knowledge Financial planning metrics and reporting Positioning brand marketing and sales Defining effective partnerships equity selection and compensation Ensuring responsibility and accountability Organizational design structure governance and systems Leading effectively and growing the next generation of leaders This book reflects Broderick Co s unparalleled research into professional services management including 200 executive interviews with leaders and innovators in organizations of all sizes and types *HBS Alumni Bulletin* ,2008 *Who* Geoff Smart and Randy Street,2008 *Dow Jones Private Equity Analyst* ,2008 *The Publishers Weekly* ,2008 Who ,2017 *Summary of Geoff Smart & Randy Street's Who* Everest Media,2022-06-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Lucy problem is a who problem but it s not as funny nor as far down the chain of command as the Ethel problem The Lucy problem is finding the right people and that is the single biggest problem in business today 2 The techniques in this book will help you find the right person for any position The method allows you to focus on the individual candidates without losing sight of the goals and values of your organization 3 The art critic the sponge the prosecutor and the suitor are all voodoo hiring methods The art critic spends all of his time interviewing candidates instead of listening to them The prosecutor aggressively questions candidates instead of evaluating them 4 There are many methods interviewers use to test for certain behaviors Some examples are the la di da interview the animal lover interview the chatterbox interview and the psychological and personality tester These methods are not useful as predictors of on the job performance Leadocracy Geoff Smart,2012 Do you think your life will get better in the future Geoff Smart had some doubts He saw what you see how broken government has become He worried about his career his family s future and our everyday quality of life Then one day Geoff received an unexpected message that changed how he saw the problem Geoff was asked to help His journey took him behind the scenes to work with other private sector leaders who had made the leap into government What he discovered will surprise you Dust jacket *Workforce Management* ,2008 *Résumé - Who* Celine Ayort,2018-08-06 R sum Who The A Method for Hiring de Geoff Smart Une méthode rigoureuse pour éviter les erreurs de recrutement Pour une entreprise les décisions touchant au personnel sont déterminantes elles influencent sa réussite future plus encore que la stratégie Il ne s agit pas seulement de

trouver des personnes qualifiées mais de s'assurer qu'elles puissent jouer un rôle précis. Les erreurs de recrutement sont très fréquentes et peuvent avoir de lourdes conséquences pour la société. Seule une méthode rigoureuse permet de les éviter. Celle-ci est présentée ici par Geoff Smart et Randy Street, dirigeants de la société de conseil en gestion ghSMART. Dans ce résumé, vous allez découvrir que les employés sont le tout premier avantage compétitif d'une entreprise. Trouver de bons candidats représente un défi. Les entretiens se font souvent de manière trop aléatoire et manquent de méthodologie pour réussir un recrutement. Il faut donc finir très précisément sa recherche en donnant la mission, les objectifs et les compétences qu'elle implique.
