Brat Farrar Elizabeth Mackintosh,1980 Brat Farrar (Come And Kill Me) Josephine Tey,2025-03 Brat Farrar Come And

Kill Me is a gripping mystery set in the English countryside revolving around a family estate in financial decline after a tragic loss. The story explores deception and identity when a young man who grew up as an orphan in America is convinced to impersonate a missing heir to a large inheritance. His task is to take on the identity of a long lost twin once thought dead to claim the family's wealth and estate. As the young man becomes embroiled in this dangerous game, his presence unearths deep secrets about the family, triggering an unraveling of past events. The plot delves into manipulation and the complexities of family loyalty, revealing how far people will go to protect their interests. As the story builds, it highlights the consequences of dishonesty, the moral dilemmas surrounding inheritance, and the tension between personal ambition and the well-being of others. Ultimately, Brat's discovery of the truth and his role in the family's tragic history offers a compelling exploration of identity and the pursuit of justice.

Brat Farrar Josephine Tey, 2021-07-19 Josephine Tey's *Brat Farrar* 1949 is one of my favourite books. It isn't science fiction or fantasy; it was published as a mystery novel. It also falls into the special genre I call double identity. *Brat Farrar* is a young man with a pronounced family resemblance to the Ashby family of Lodings. A brother of about his age supposedly committed suicide; his body was never found. At the age of thirteen, if twenty-one-year-old Brat were the dead Patrick, he'd inherit the estate and all the money over the head of the smiling, confident Simon Ashby. Brat encounters Alec, a rogue who knows the Ashbys well, and Alec immediately concocts a plot. Brat is drawn into the affair at first from curiosity and later from a desire to avenge Patrick. This is a murder mystery as well as a double identity story, but the murder Brat is investigating is that of his own double, and he can't reveal the truth without revealing his own deception.

Josephine Tey Jennifer Morag Henderson, 2021-11-04 Josephine Tey was the pen name of Elizabeth MacKintosh (1896-1952). Born in Inverness, MacKintosh lived several lives. Best known as Golden Age Crime Fiction writer, Tey she was also a successful novelist and playwright. During her exceptional career, she had plays on simultaneously in the West End in London and on Broadway, and even wrote for Hollywood, all from her home in the north of Scotland. Women of Mystery Martha Hailey DuBose, 2000-12-11 In this remarkable book, Martha Hailey DuBose has given those multitudes of readers who love the mystery novel an indispensable addition to their libraries. Unlike other works on the subject, *Women of Mystery* is not merely a directory of the novelists and their publications, with a few biographical details. DuBose combines extensive research into the lives of significant women mystery writers from Anna Katherine Green and Mary Roberts Rinehart with critical essays on their work, anecdotes, contemporary reviews and opinions, and some of the women's own comments. She takes us through the Golden Age of the British women mystery writers, Christie Sayers, Marsh Allingham, and Tey, to the leading crime novelists of today, focused on the women who have become legends of the genre. And though she laments so many mysteries, so little time she makes a good effort at mentioning some of the best of the rest. When

DuBose writes of the lives of her principal players she relates them to their times their families their personal situations and above all to their books She subtly points out that Sayers whose experience with the men in her life was inevitably disastrous created in Lord Peter the ideal lover one who is all that a woman desires and needs DuBose gives us the curriculum vitae that Dorothy Sayers created to help her bring Peter Wimsey to a virtual actuality Ngaio Marsh would give up an active presence in the theatrical world she loved but she recreated it for herself as well as her readers in many of her novels The biographies of these woman are as engrossing as the stories they wrote and Martha DuBose has shined a different intimate and intriguing light on them their works and the lives that informed those works This book is so full of treasure it s hard to see how any mystery enthusiast will be able to do without it And what a gift it would make for anyone on your list who has been heard to announce I love a mystery Some of the treats inside In the Beginning The Mothers of Detection Anna Katherine Green Mary Roberts Rinehart A Golden Era The Genteel Puzzlers Agatha Christie Dorothy L Sayers Ngaio Marsh Margery Allingham Josephine Tey Modern Motives Mysteries of the Murderous Mind Patricia Highsmith P D James Ruth Rendell Mary Higgins Clark Sue Grafton and more
