improvement Now that may be foreign to you today but as soon as you walk through several of these those will start to make a lot of sense to you We will talk about those life cycle phases We ll talk about capabilities and resources organizations should have to help drive services and drive them through their life cycles We ll talk a little bit about quality quality of processes and quality of services and so on So those are the topics that we re going to cover in this Book Itil V3 Foundation Complete Certification Kit Tim Malone,Ivanka Menken,Gerard Blokdiik,2009 The ITIL Information Technology Infrastructure Library V3 Foundation Complete Certification Kit is the most complete guide for anyone involved in IT Service Management and who are aiming to take the ITIL V3 Foundation exam whether they be first time ITIL learners or seasoned IT professionals Still a number one best seller for IT Management from Amazon com to Barnes and Noble and many more this 2009 edition has refreshed the study guide and online learning program with its updated inspiring and detailed plan for passing your ITIL V3 Foundation exam on the first attempt With new examples instructions and cautionary advice the ITIL V3 Foundation Complete Certification Kit is to quote numerous of ITIL certified clients the gold standard of ITIL Certification As the industry standard in terms of Process Service and Lifecycle Management for IT the ITIL Foundation exam is the most popular entry level certification particularly for individuals switching from another career to IT This kit prepares you for the certification exam by offering valuable information on the ITIL framework ITIL certification and IT Service Management as a practice This certification kit contains both the study guide and access to our online program that together provides everything you need to prepare for the ITIL V3 Foundation certification exam including Real world scenarios that describe what you ve learned in the context of service solutions These include thought provoking questions to challenge your thinking and understanding Section reviews for each chapter to help you zero in on what you need to know and includes practice exam questions A Real World Guide to ITILV3 Skills Key information and real world examples organized around the actual day to day tasks and challenges you ll face in the field of IT Service Management Ability to assess what you ve learned with challenging ITIL Foundation exam style questions Adobe Flash presentations that you can view and replay as many times as required facilitated by certified ITIL trainers who explain each of the topics and concepts of ITIL Materials developed on the specific syllabus and exam criteria so that you can be confident in achieving exam success on your first attempt Editorial Reviews Read the book took the online course and test PASSED This ITIL exam prep book and course are an invaluable study aid for passing the ITIL Foundation exam Highly recommended I ve been an IS project manager for over 10 years I ve studied ITIL materials in preparation but took no courses or workshops I studied this book and its accompanying course for 10 days immediately preceding my exam Read the book about 3 times I took the ITIL Foundation exam and got 98% of the questions correct I think that the study tips in the book and course helped me get about 15 20 questions right that I might have otherwise missed your mileage may vary The book and course made me confident in sitting the exam and is the best such book that I ve come across Worth it especially since you have access to the online learning component as well Good focus on
