

A futuristic illustration of a brain as a network of nodes and connections, surrounded by books, a tablet, and circuitry. The brain is the central focus, rendered in a glowing blue and purple wireframe style. It is set against a dark background with glowing circuit lines and data points. To the left, two books are shown in a 3D perspective. To the right, a tablet displays a list of items. At the bottom, an open book is visible, with light rays emanating from it towards the brain. The overall aesthetic is high-tech and digital.
