Innovation Strategies Nacer Gasmi, 2021-03-03 Corporate social responsibility CSR is simply the maximization of a companys value over time undertaken because in the long run social and environmental problems ultimately become financial problems The justification for CSR is therefore associated with representing the nature and role of the company as well as its purpose Companies therefore regard CSR as a strategic investment that is part of a proactive resilient inclusive approach based on the creation of shared value This approach is capable of reducing negative societal impacts of their activities or inducing positive impacts if they sustain a hybrid culture all the while improving their competitive advantage This book presents a theoretical development that analyzes the challenges of CSR strategies based on the creation of shared value Two case studies are presented analyzing the different forms of social innovation strategies capable of inducing this shared value creation **The Power of Imagination** Xavier Pavie, 2025-07-11 This book provides an overview of imagination and its role for survival in a complex high intensity environment More than this this book aims ambitiously to inspire imagination It establishes that imagination is neither abstract nor frivolous but a technique a skill and a discipline that one must embrace to facilitate the transformation of both society and oneself Whether facing contemporary challenges like climate change social and political crises or grappling with the complexities posed by artificial intelligence machine learning or transhumanism imagination seems to be what is lacking in order both to endure and to build Often reduced to the realm of artists imagination is a unique value added by humankind one that can envision a way of creating new worlds In this book the imagination becomes a spiritual exercise aimed at rethinking our ways of life in order to establish both a new construction of oneself and society Researchers and general readers alike will find much in this call to imagine how other worlds might be possible **Revue des bibliothèques** ,1929 **Mood of the Moment** Choghakate Kazarian, 2023-08-22 An exploration of fashion designer Gaby Aghion s life career and legacy at the French fashion house Chlo As imagined by the company s founder Gaby Aghion 1921 2014 the sophisticated romantic and glamorous designs of Chlo have captured the energy and
