Theme Of The Pentateuch:

Theme of the Pentateuch David J. A. Clines, 1997-01-08 This popular textbook regards the Pentateuch as a literary whole with a single theme that binds it together The overarching theme is the partial fulfilment of the promises to the patriarchs Though the method of the book is holistic the origin and growth of the theme is also explored using the methods of traditional source analysis An important chapter explores the theological function of the Pentateuch both in the community for which the Pentateuch was first composed and in our own time For this second enlarged edition the author has written an Epilogue reassessing the theme of the Pentateuch from a more current postmodern perspective

The Conceptual Coherence of the Book of Micah Mignon R. Jacobs, 2001-06-01 This book examines the coherence of the book of Micah by means of analysis of the text's literary structure and conceptuality A two part structure is proposed divided between chs 1-5 and 6-7 each part characterized by a dispute over the fate of Israel The interrelationship of the parts including prophecies of judgment and announcements of promise suggests that the basis of the book's coherence is that Yahweh's justice in judgment and mercy preserving and forgiving the remnant are the significant factors in determining Israel's fate

At-Home Seminary Rich O'Brien,2025-07-15 My goal upon entering Moody s MABS program was then as it is now to know God better and to love Him more Before completing the program I began praying to know what God had in mind for me next While praying I realized that some if not much of the biblical knowledge I had recently gained would likely slip from my mind if I did not take steps to prevent that I was then led to compile my written assignments into a well organized anthology As I prayerfully worked on that project I realized that the finished product could well serve as a Christian discipleship or small group study That led me to prayerfully consider making the project available to everyone Now along with WestBow Press I am blessed to invite you to embark on a journey through your own At Home Seminary

In Quest of the Historical Adam William Lane Craig,2021-09-28 Was Adam a real historical person If so who was he and when did he live William Lane Craig sets out to answer these questions through a biblical and scientific investigation He begins with an inquiry into the genre of Genesis 1 11 determining that it can most plausibly be classified as mytho history a narrative with both literary and historical value He then moves into the New Testament where he examines references to Adam in the words of Jesus and the writings of Paul ultimately concluding that the entire Bible considers Adam the historical progenitor of the human race a position that must therefore be accepted as a premise for Christians who take seriously the inspired truth of Scripture Working from that foundation of biblical truth Craig embarks upon an interdisciplinary survey of

scientific evidence to determine where Adam could be most plausibly located in the evolutionary history of humankind ultimately determining that Adam lived between 750 000 and 1 000 000 years ago as a member of the archaic human species *Homo heidelbergensis*. He concludes by reflecting theologically on his findings and asking what all this might mean for us as human beings created in the image of God literally descended from a common ancestor albeit one who lived in the remote past
