**Archangel Raphael** Mary LaSota, [More Together Than Alone](#) Mark Nepo, 2018-07-17 Mark Nepo, the #1 New York Times bestselling author and popular spiritual teacher, has given us not only a much-needed message of hope and inspiration but a practical guide on how to build a better tomorrow together. Arianna Huffington, founder of HuffPost, says this poignant and timely meditation on the importance of community demonstrates how we can live more enriching lives by cultivating connectedness. At once a moving meditation and an empowering guide, *More Together Than Alone* is a compelling testament to the power of community and why it's so essential in our lives now more than ever. Mark Nepo draws from historical events, spiritual leaders, and the natural world to show how in every generation our tendency is to join together to accomplish our greatest achievements, from creating education to providing clean drinking water and preserving the arts. Nepo's historical snapshots from ancient times to contemporary examples show how community creates a light in the darkest of times. The book explores the heart of how we come together in varied and beautiful ways, whether forming resistance groups during the Holocaust or rebuilding after the nuclear devastation in Nagasaki. These inspiring stories teach us that even in the bleakest days, we have the power to create connections and draw strength from one another. Featuring thought-provoking analysis and practical takeaways, *More Together Than Alone* will help us inhabit a stronger sense of togetherness where we live and in the world so we can achieve our highest potential as individuals and as communities. In an age of racial divisions, school shootings, and international conflict, this book's message about the necessity of coming together is timely, and its examples of human compassion and unity are often comforting.

Publishers Weekly **The Psychology of Religious Awakening** Elmer Talmage Clark, 1929

[Levinas, Kant and the Problematic of Temporality](#) Adonis Frangeskou, 2017-11-08 This book offers an ethical interpretation of the Critique of Pure Reason by establishing the historical connection between the problematic of Temporality in the philosophies of Heidegger and Levinas on the one hand and the ground laying of metaphysics in the schematism of Kant's critical philosophy on the other. Drawing on Levinas's ethical critique of the Heideggerian problematic of Temporality together with his destructive proposal to carry out the deformalization of the Kantian notion of time in a manner consistent with Rosenzweig's philosophy, the book argues that this historical connection should be established at the point where Kant determines the ethical status of the schematism according to the regulative schemas of the ideas of pure

reason and not as in Heidegger's ontological destruction at the point of his determination of the sensible schemas of the pure concepts of understanding alone
