Marshall, 2011 This book provides a detailed analysis of what we need to do to effectively build and sustain enduring partnerships examines our current state and provides a roadmap with specific actionable recommendations to strengthen our processes and employ a holistic joint interagency intergovernmental and multinational approach to partnerships Two of the insights that I think we often miss are that our partners have a say in the process and that we need to manage the process as an integrated portfolio and make investment reinvestment decisions based upon capability

objectives that we and our partners agree upon The U S military simply cannot engage alone Partnership must be planned and executed in order to set meaningful objectives as well as to synchronize available resources to achieve them
