**Strategic People Management and Development** Gary Rees, Ray French, 2022-12-03 Strategic People Management and Development maps to the CIPD Level 7 module People Management and Development strategies for performance. It focuses on the need for evidence-based and outcome-driven practice in the people profession and explains how HR and Learning and Development L D professionals can create value and drive performance in an organisation. It provides a thorough grounding in the theory and practice of how to lead and manage employees and effectively develop a workforce as well as extensive coverage of how to ensure professionalism and ethical behaviour in the people function. This book also includes discussion of organisation development and how high performance work practices drive positive organisational and employee outcomes. This book also includes practical advice on key HR activities including recruitment, job design and reward. Fully updated throughout, this book includes case studies to help students see how the theory applies in practice, reflective practice activities to help them think critically about the content and self-test their learning progress, as well as explore further boxes to encourage wider reading. Online resources include an instructor's manual, lecture slides and sample essay questions.

**Leading, Managing and Developing People** Gary Rees, Raymond French, 2016-04-15 Leading, Managing and Developing People is critical reading for all those studying the CIPD Level 7 Advanced module in Leading, Managing and Developing People as well as all HR and L D practitioners. It provides extensive coverage of the aims, objectives and contribution of HRM such as the scope and nature of human resources, HR's role when organisations grow and how to ensure professionalism and ethical behaviour when managing people. This book also includes discussion of major contemporary themes in leading, managing and developing people, including leadership, development, flexibility, agile working and the psychological contract. This ensures that readers are fully prepared to lead, manage and develop staff in the new world of work. With rigorous academic underpinning and clear theoretical exploration, Leading, Managing and Developing People also includes practical advice on key activities including recruitment, job design, performance management, motivation and reward. Supported by online resources including an instructor's manual, lecture slides, international case studies, example essay questions and annotated web links, this is an indispensable guide for both students and practitioners. **An Introduction to**
