Vocal Score, Italian & English Words** Verdi, 1963 Aida Giuseppe Verdi, 2016-10-05 Aida vocal score in Italian Ricordi edition **Aida, Opera in Four Acts** Giuseppe Verdi, 2015-04-15 Verdi received a request in November of 1869 from the Viceroy of Egypt to compose a commemorative hymn for the opening of the Suez Canal Verdi refused the request on the grounds that he was not accustomed to writing such ceremonial music The Viceroy then persuaded French Egyptologist Auguste Mariette who wrote a scenario set in ancient Egypt drawn partially from Metastasio's 1756 libretto for *Nitteti* to visit Paris in order to introduce him to the theatre producer Camille Du Locle with the goal of mounting a new opera based upon Mariette's scenario with music from either Verdi Gounod or Wagner Although considering a new opera Verdi had no intention of taking on the Egyptian scenario but changed his mind when Du Locle himself showed him the outline With an Italian libretto by Antonio Ghislanzoni the new opera was first performed at the Khedivial Opera House in Cairo on December 24 1871 to an audience consisting of only politicians dignitaries and critics Verdi did not attend the premiere and was irritated that members of the general public were excluded The next performance took place at the Scala Theatre in Milan the evening of February 8 1872 which the composer thereafter considered to be the real opening night The present vocal score is a digitally enhanced reissue of the one first published in 1897 by G Schirmer of New York with an English translation by Mrs G G Laurence appearing beneath the original Italian text Unlike so many of the on demand scores now available this one comes with all the pages and the images have been thoroughly checked to make sure it is readable The score is beautifully printed at a large readable size with a quality cover As with all PLP scores a percentage of each sale is donated to the amazing online archive of free music scores and recordings IMSLP Petrucci Music Library **Arias, Ensembles, & Choruses** John Yaffé, David Daniels, 2011-11-17 Conductors John Yaff and David Daniels have created a one stop sourcebook for orchestras opera companies conductors and librarians who research and or prepare programs of vocal excerpts such as solos ensembles and choruses for concert performance In this book readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas operettas musicals and oratorios more than 1 750 excerpts from 450 parent works Modeled on Daniels *Orchestral Music Arias Ensembles Choruses* includes basic historical details about each parent work as well as extract titles subtitles voice types keys durations locations in the original work with page numbers in both full scores and piano vocal scores and exact instrumentation It also lists the publishers that make available the orchestral materials for just the excerpt being programmed independent of the full parent work Until now conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three minute aria after another only to then consult multiple publishers catalogues to compile crucial information on all the excerpts proposed for a concert or recording This book constitutes a single source for finding that information In many cases the individual entries include valuable insider

information on common performance practice including start and stop points transpositions and conventional cuts Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts all categorized by personnel e g duets trios quartets quintets sextets choruses and language Czech English French German Italian Latin Russian This book is the ideal tool for the working conductor and orchestral librarian as well as music program directors at colleges and conservatories opera companies and symphony orchestras As of October 2015 a new printing of this book has occurred to correct errors in the index A PDF version of the new index is available to previous purchasers of the volume Please contact Rowman Littlefield s music editor for assistance Catalogue of the Central Lending Library ...
