Summary of Robert Henderson's Operating in the Courts of Heaven Everest Media, 2022-06-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The place of the initial conflict is in a courtroom not on a battlefield Christians should first win their verdicts in the courtroom of Heaven before going out to win on the battlefield 2 The first thing we must see is that Heaven is open This means that there is revelation and things we need to discern in the Heavenly realm Prayer and warfare should not be a shot in the dark We should be able to pinpoint the things that need to be dealt with and touch them with accuracy 3 When we pray we are entering a courtroom If the widow in Jesus parable could get an answer and a verdict from an unjust judge through her persistent activity in a court how much more can we gain answers as the elect of God before the Righteous Judge of all 4 The widow in the parable of the courtroom was praying for a verdict from the court not from the battlefield She realized that she didn't need to march onto a battlefield and yell at her adversary She just needed a verdict from the court

Engaging the Father Mike Parsons, 2023-05-17

Creation is groaning; it is out of tune with the harmony of heaven, and we long for the freedom of the glory of the children of God. Sons Arise is the cry from the Father's heart to unveil, reveal, and release His children into their full and glorious identity and inheritance as mature sons and daughters of God. This first book in the series leads the reader into engaging the Father in intimacy as His beloved son or daughter. Through personal testimony, insightful explanation, and guided activations, Mike Parsons demonstrates how everyone can experience the joy of living their daily life in intimacy with God and like Jesus, only doing the things they see the Father doing.
