Rather than focusing on leaving no child behind, differentiation aims to move every child ahead. The trouble for many teachers is, however, that differentiating for all students can be time-consuming. *Differentiation Made Simple* will help classroom teachers overcome time constraints and other obstacles to differentiation by providing a wealth of ready-made and generic tools they can employ right away. The tools include task cards for literature, creative writing, and research; tic-tac-toe menus; graphic organizers; and guides to creating differentiated units, each one tied to specific questions and concerns teachers have about differentiating instruction. Also included are product lists and other assessment ideas, including rubrics and a scoring conversion table. Written especially for teachers in the trenches, *Differentiation Made Simple* will help unlock the door to creating a classroom where every child is challenged by work appropriate for his or her abilities, interests, and learning styles. Portable File-Folder Word Walls Mary Beth Spann, 1999-10 Create portable word walls with students' favorite words by pasting patterns onto file folders with a variety of themes. *Teaching Narrative Writing* Lola M. Schaefer, 2001 Students can write organized, compelling fiction and nonfiction narrative when they have the right tools. The engaging writing lessons and student reproducibles in this book give kids the scaffolding they need to keep their stories on track. Includes creative planning forms, charts, and maps, revision checklists, peer conference guidelines, rubrics, and more. Lessons by a master teacher.
